

## Demolition work on Railway Crescent, Lisarow from Monday 3 July 2017

**The NSW Government has provided \$9 million in 2017/2018 for the planning and preconstruction of the Pacific Highway upgrade, between Ourimbah Street and Parsons Road, Lisarow to improve traffic flow and safety.**

Roads and Maritime Services will begin early work to remove existing buildings and structures on a number of properties along Railway Crescent, Lisarow from **Monday 3 July**.

The work will involve establishing a construction area by demolishing buildings and putting up fencing, hording and scaffolding. These properties were acquired by Roads and Maritime for the proposed Pacific Highway upgrade, between Ourimbah Street and Parsons Road, Lisarow.

We have included a map to show locations where the work will take place.

The work will be carried out from **Monday 3 July** until late September, weather permitting. Our working hours will be between **7am** and **6pm** weekdays and **between** 8am and 1pm Saturday.

### How will the work affect you?

There will be some noise associated with this work. Machinery and equipment used will include hand tools, concrete saw, excavator, trucks, compressor and generator. We will make every effort to minimise the impact by providing respite periods for high impact noise activities.

If you have any questions, please call our Project Manager Mehrdad Doshab on 02 4379 7023 or [central.coast.office@rms.nsw.gov.au](mailto:central.coast.office@rms.nsw.gov.au). For more information on our projects, visit [rms.nsw.gov.au/lisarow](http://rms.nsw.gov.au/lisarow).

Thank you for your patience during this important work.

---

## Location of work area
