

Out of hours work on the Pacific Highway duplication at Lisarow from Tuesday 1 March

The NSW Government is investing \$178 million to duplicate the Pacific Highway between Ourimbah Street and Parsons Road, Lisarow to improve traffic flow and safety.

We are working between **7am and 6pm** on **weekdays** and **8am and 1pm** on **Saturdays**. Some out of hours work is required for the safety of motorists and workers and to ensure work on the project is carried out as efficiently as possible.

Night work will be carried on the upgrade between **1 March and 31 March 2022** between **8pm** and **5am Sunday to Thursday**, weather permitting. We will also be working on **Saturday between 8am and 5pm and continuous over a weekend during the rail shutdown**.

Below is a list of the upcoming planned out of hours work for March:

Activity	Duration
Utility services relocation on The Ridgeway near the intersection of the Pacific Highway near Lisarow High School	3 x 1 night
Bridgework on the existing bridge over the rail line near the intersection of Pacific Highway and Railway Crescent	48 hours continuous work during rail shutdown weekend 2 x early morning starts during the week 4 x Saturdays
Kerb and access in front of BJ Howes Metaland	4 x Saturdays
Delivery of plant and equipment to site and accessing site compounds on Railway Crescent, Macdonalds Road and the northern compounds on the Pacific Highway	

We have included a map to show the location and type of work in each area.

How will work affect you?

The out of hours work will involve the use of machinery which generates noise.

We will make every effort to minimise noise by completing noisier activities earlier in the night and turning off machinery and vehicles when not in use. Noise blankets will also be used around stationary plant, where possible.

Directly affected residents will be contacted and advised of the likely impact and what we are doing to minimise disruption during the work.

Traffic changes

Lane closures and traffic control will be in place during the work and may affect travel times. A temporary 40 km/h reduced speed limit will be in place and there may be short term intermittent stops through the work zones for the safety of motorists and workers.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions, or complaints please contact the project information line on 1800 560 667.

For more information on our projects, visit roads-maritime.transport.nsw.gov.au

Thank you for your patience during this important work.

Out of hours work, Lisarow
