October 2021

Temporary closure of Railway Crescent, Lisarow during weekend work from Saturday 9 October

The NSW Government is investing $178 million to duplicate the Pacific Highway between Ourimbah Street and Parsons Road, Lisarow to improve traffic flow and safety.

Railway Crescent will be closed to all through traffic near its intersection with the Pacific Highway during weekend work from **8 am on Saturday 9 October to 10 pm Sunday 10 October**.

Access for Emergency Services, buses and pedestrians will maintained during the closure.

Railway Crescent needs to be closed to allow work to continue on the Pacific Highway duplication, including asphalting the new road alignment at the intersection of Railway Crescent and the Pacific Highway.

Road users will be detoured via Manns Road to access the Pacific Highway. We have included maps to show the location of the work and the detour route.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

How will work affect you?

We will be working over the weekend to implement the changes to traffic at the intersection of the Pacific Highway and Railway Crescent. We will be working from **8 am on Saturday 9 October to 10 pm Sunday 10 October**.

The night work will involve the use of machinery which generates noise. We will make every effort to minimise noise by completing noisier activities earlier in the night and turning off machinery and vehicles when not in use. Noise blankets will also be used around stationary plant, where possible.

Directly affected residents will be contacted and advised of the likely impact and what we are doing to minimise disruption during the work.

Contact

If you have any questions or complaints, please contact the project information line on 1800 560 667. More information is available on our project webpage at nswroads.work/Lisarow.
