

Road work on the Pacific Highway between Turramurra and Wahroonga from Monday 12 October

The NSW Government is funding improvements at intersections on the Pacific Highway at Redleaf Avenue, Coonanbarra Road and Fox Valley Road. The Australian Government and NSW Government are jointly funding upgrades at the Pacific Highway and Finlay Road.

In October, Transport for NSW will start work upgrading these intersections on the Pacific Highway. Our work will include:

Readleaf Avenue and Fox Valley Road

- Survey works
- Utility and road pavement investigations
- Minor utility adjustments
- Tree trimming and some tree removal

Pacific Highway and Finlay Road

- Utility and road pavement investigations
- Road pavement works
- Concrete and asphalt works
- Line marking works.

We will establish a site compound for this project at 100-102 Fox Valley Road.

Thank you for your patience during this important work.

How will the work affect you?

We have designed our work schedule so the intersection upgrades can be completed as quickly as possible, limiting the impact on the local community.

On the **Pacific Highway at Redleaf Avenue** and **Fox Valley Road**, we will work during the day when possible. However, some of our work will need to be carried out at night to minimise traffic disruption and reduce health and safety risks to the workers.

On the **Pacific Highway at Finlay Road**, most of our work will be at night to minimise disruption to traffic and the nearby Warrawee Public School. We will work during the day when the school is closed or the expected disruption is minimal.

There will be noise and disruptions associated with our work. We will work with the community to minimise the impact, including implementing mitigation measures to reduce the impact of noisier tasks (such as jackhammering and concrete saw cutting) and completing these tasks before midnight.

We will inform you as work progresses and notify you of any changes to our work schedule.

Traffic changes

There will be temporary lane closures during our work hours to ensure the work area is safe for road users and workers. There may also be partial closure of footpath in the work areas and alternative path will be provided.

Please keep to speed limits and follow signs and traffic controller directions. For the latest traffic updates, call 132 701, visit livetraffic.com or download the Live Traffic NSW app.
