# Parramatta Road, Wattle and Frederick Street intersection upgrade

Project Update | December 2020

Transport for NSW is upgrading the intersection at Wattle Street, Frederick Street and Parramatta Road in Ashfield to improve traffic flow, including safer right turn movements from Wattle Street onto Parramatta Road.

## Holiday close down

No work will happen on our site during the holidays from 5am Thursday 17 December 2020 to 8pm on Monday 4 January 2021.

## Return to work

Work on our site will re-start from 4 January 2021. We will continue our required night work for up to 5 nights a week, from 8pm to 5am, Monday to Sunday, weather permitting.

Work will not be carried out on public holidays.

Our work needs to be carried out at night when traffic volumes are lower for the safety of our workers.

## How our work will affect you

Our work on site may be noisy at times but we will do everything we can to minimise its impact, including using noise blankets and completing the noisier activities, such as concrete cutting and jackhammering before midnight.

Lane closures will be in place during this work, so it can be carried out safely.

For the safety of our workers, please keep to the speed limits and follow signs and the directions of traffic controllers.

## Contact us

If you have any questions or would like to sign up for regular email updates on the project, please contact our delivery partner, VBA on:

 **1800 677 700**

 **nswenquiries@vbajv.com.au**

Our phone line is monitored 24 hours when work is taking place.

If you need help understanding this information, please contact the Translating and Interpreting Service on **131 450** and ask them to call us on **1800 677 700**.
