

Continuing investigation work on Pennant Hills Road and North Rocks Road, Carlingford

The NSW Government is looking into ways to reduce congestion and improve travel times on one of Sydney's busiest road.

Transport for NSW will continue investigations on Pennant Hills Road and North Rocks Road from 22 February 2021 to 28 May 2021. We will not work on public holidays.

We had planned to finish this work in January, however, the unforeseen ground conditions caused a delay and we were unable to finish as planned.

The work will include surveying to understand the road, drainage and ground conditions and investigations to identify the location of utilities, such as water, gas, electricity and telecommunications infrastructure.

Our work schedule

We will be on site for **30 night shifts and 16 day shifts**, between **Monday 22 February 2021 and Friday 28 May 2021**, weather permitting.

Our day work hours will be between **7am and 6pm** from **Monday to Friday**.

Our night work hours will be between **6pm and 7am** from **Sunday to Friday**.

We will not work on public holidays.

Contact us

If you have any questions, please contact us on **1800 572 004** or at pinchpoint@rms.nsw.gov.au

Thank you for your patience during this important work.

How will the work affect you?

Some of our work will occur during the day, however, we will need to carry out some of this work at night to minimise the impact on traffic and to ensure the safety of our workers.

We will be working up to five nights a week. Our work will progress along the street and will not take place in the same location for more than three nights in a row.

Our work may be noisy at times but we will do everything we can to minimise its impact, including completing noisier activities by midnight.

Traffic changes

There will be some temporary traffic changes during our work hours to ensure the work zone is safe. Lane closures may be in place and may affect travel times. Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App

Translating and Interpreting Service

If you need an interpreter, please call the Translating and Interpreting Service (TIS National) on **131 450** and ask them to telephone Transport for NSW on 1800 572 004.

Cantonese
