

## Project update – Pedestrian bridge at Pennant Hills Road, North Parramatta

### The NSW Government is funding this \$5 million proposal to provide a safe crossing over Pennant Hills Road for local students, other pedestrians and cyclists.

Roads and Maritime Services invited feedback in February 2017 on a proposed night work schedule to build a pedestrian bridge on Pennant Hills Road, North Parramatta near Masons Drive.

We received feedback from 59 people, 54 were in support of completing the project as quickly as possible and five people did not state a preference for either schedule.

After considering all response, we have decided to proceed with working up to **five nights** a week for **30 weeks**, for a total of **150 night shifts** to minimise the disruption period for residents and road users. We have responded directly to questions or concerns raised and thank everyone for considering the work schedules and for their feedback.

We have summarised feedback and our responses in a Community Consultation Report, which is available by contacting the project team on [nsw\\_projects@downermouchel.com](mailto:nsw_projects@downermouchel.com).

### What happens next?

Work is expected to start in June 2017. We will notify you again before work starts and will continue to update you as the project progresses.
