

Project update – Pedestrian Bridge on Pennant Hills Road, North Parramatta

The NSW Government is funding this \$5 million project to provide a safe crossing over Pennant Hills Road for local students, other pedestrians and cyclists.

Roads and Maritime Services is building a pedestrian bridge over Pennant Hills Road, North Parramatta.

Progress so far and the next stage

We have finished clearing vegetation, moving and protecting the heritage pillars, building the bridge foundations, retaining wall and waterproofing the lift shafts.

The work still to be done includes:

- building the lift shafts and stairs
- installing the lifts
- electrical work
- lifting the bridge into place
- landscaping.

We have included a map to show the location of the work.

Our work schedule

We will be on site to complete the next stage of the project for another **35 night shifts** and **160 day shifts**, between **Monday 23 October** and **April 2018**, weather permitting, excluding public holidays. Our night work hours will be between **7pm** and **5am** from **Sunday** to **Friday**. Our day work hours will be between **7am** and **6pm** from **Monday** to **Friday** and between **8am** and **1pm** on **Saturday**.

How will the work affect you?

Our work may be noisy at times but we will continue to do everything we can to minimise its impact, including completing the noisier tasks by **11pm**.

Traffic changes

There will again be temporary traffic changes during our work hours to ensure the work zone is safe.

Lane closures will be in place and may affect travel times. Please keep to speed limits and follow signs and traffic controllers' directions. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions, please contact our delivery partner, DM Roads, on 1800 332 660 or enquiries_nsw@dmroads.com.au. For more information on our projects, visit rms.nsw.gov.au.

Thank you for your patience during this important work.
