

Expression of Interest

Transport for NSW

Picton Road Upgrade Program - Biodiversity Offsetting

Submission of an Expression of Interest (EOI) is the first step to take if you are considering establishing a Biodiversity Stewardship Agreement on your land. You will receive a call from Transport for NSW or a delegate to organise a time to discuss your application. Submitting an EOI does not carry any obligations and is free of charge.

Landowner's details

Local government area (LGA)					

Vegetation and threatened species

If you know the details of the species and vegetation communities on your property, please provide these details below. Additionally, if you can provide relevant documents such as biodiversity survey reports, photos of vegetation or a plan/sketch showing vegetation on the property, please attach these to your EOI submission.

Please note this is not mandatory.

Vegetation type on my property	
Vegetation Community (such as Plant Community Type)	Estimated Area (ha)

Threatened species on my property (if applicable)

Lodging your EOI

Once completed and signed, send the application with all attachments to:
