

# **Great Western Highway at Pitt Street and Marsden Street, Parramatta**

# Project update

## Roads and Maritime Services | July 2018

The NSW Government is funding this work as part of its \$30 million Parramatta Congestion Improvement Program which aims to reduce congestion around the Parramatta local government area by upgrading key intersections that access the Parramatta Central Business District.

Roads and Maritime Services is improving the intersections of Pitt Street and Marsden Street along the Great Western Highway, Parramatta.

We have included a map showing the location of work.

## Progress so far and the next stage

Stage one is now open to traffic. We will remain on site to complete some finishing work. Stage one involved:

- providing an eastbound left turn lane on the Great Western Highway into Marsden Street
- extending the westbound right turn lane on the Great Western Highway into Pitt Street
- upgrading the traffic lights.

Stage two will begin in August and will include:

- providing a westbound left turn lane on the Great Western Highway into Pitt Street
- providing three northbound lanes on Pitt Street on approach to the Great Western Highway
- providing a southbound lane on Pitt Street on the departure from the Great Western Highway.

#### Our work schedule

We will be on site to complete the second stage of work for up to six days and five nights a week. We will work a maximum of 150 night shifts and 80 day shifts over a 30 week period, between Wednesday 8 August and June 2019, weather permitting.

Our night work hours will be between **8pm** and **5am** from **Sunday** to **Friday**. Our day work hours will be between **7am** and **6pm** from **Monday** to **Friday** and between **8am** and **1pm** on **Saturdays**.

We will not be working public holidays.

If you have any questions or concerns about the night work schedule, please send your comments to our deliver partner, DM Roads, by **Wednesday 25 July** at nsw\_projects@dmroads.com.au, 1800 332 660 or:

DM Roads-GWH, Pitt and Marsden St, Parramatta PO Box 6465 North Ryde, 2113

## How will the work affect you?

Our work may be noisy at times but we will do everything we can to minimise its impact, including completing the noisier tasks by **midnight** and staging them in different locations.

### Traffic changes

There will be temporary traffic changes during our work hours to ensure the work zone is safe.

Lane closures will be in place and may affect travel times. Please keep to the speed limits and follow signs and traffic controllers' directions.

For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.
