

Project update | December 2021

Princes Highway Upgrade, Kirrawee

Princes Highway looking eastbound from Bath Road

Transport for NSW has been upgrading the Princes Highway between the intersection of Kingsway, Oak Road and Acacia Road and the intersection of Acacia Road and President Avenue. These upgrades will improve traffic flow, travel times and safety for all road users, particularly during peak periods. The project is entering the final stages with completed works being progressively opened to traffic.

Project benefits

- Improved operation of Princes Highway along the corridor and at the intersections with Acacia Road, Oak Road, Kingsway and President Avenue
- Improved pedestrian safety at intersections with upgrades to signalised pedestrian crossings
- Reduced traffic delays and a better flow of traffic for motorists at all points along the corridor.

Recent works

Since September 2021, we have completed:

- Additional third right turn lane at the Princes Highway and Kingsway intersection
- Final asphalt placement along city-bound lanes of the Princes Highway between Acacia Road and Kingsway, including final line marking
- Additional second right turn lanes at the intersection of Old Princes Highway and Acacia Road
- Additional fourth city-bound lane on the Princes Highway between Oak Road and Kingsway

Princes Highway Upgrade, Kirrawee

- Additional fourth westbound lane on Princes Highway from Oak Road to Acacia Road
- New signalised pedestrian crossings across Princes Highway at the Oak Road intersection
- Additional third westbound straight through lane on Princes Highway at Old Princes Highway
- Pedestrian fencing in the median between Oak Road and Kingsway
- Installation of new directional signage.

Our work schedule

Until project completion, we will work up to five nights and six days a week, weather permitting. Our standard night work hours will be **8pm – 5am** up to **five nights a week**. Our daytime work hours will be **7am – 6pm** from **Monday to Friday** and **8am – 1pm** on **Saturday**.

A Christmas shutdown will be in effect from **22 December 2021** to **9 January 2022**.

What's happening next?

Remaining works include:

- Traffic signal upgrades and completion of intersection improvement works
- Signage and road furniture along the Princes Highway corridor
- Concrete pavement and traffic island works
- Completion of the final asphalt surfacing works and line marking at the Princes Highway and Acacia Road intersection

Transport for NSW are progressively opening completed works to improve traffic flows. During December 2021, we opened additional eastbound and westbound lanes on the Princes Highway, including intersection improvements, additional turn lanes, and upgraded signalised pedestrian crossings.

Work that resolves issues directly impacting residents and businesses along the corridor have been prioritised.

We understand the community has been impacted by disruptions to the project so we will be working closely with our delivery partners to complete the remaining works.

Traffic changes

There will be temporary traffic changes during our work hours to ensure the work zone is safe. Lane closures will be in place and may affect travel times. Please keep to speed limits and follow signs and traffic controllers' directions. For the latest traffic updates, you can call **132 701**, visit livetraffic.com or download the Live Traffic NSW App.
