

Transport for NSW

Princes Highway Upgrade, Kirrawee

Project Update | September 2021

Princes Highway looking northbound from Bath Road

Transport for NSW is upgrading the Princes Highway between the intersection of Kingsway, Oak Road and Acacia Road and the intersection of Acacia Road and President Avenue. These upgrades will improve traffic flow, travel times and safety for all road users, particularly during peak periods.

Project benefits

The benefits of the improvement include:

- Improved operation of Princes Highway along the corridor and at the intersections with Acacia Road, Oak Road, Kingsway and President Avenue
- Improved safety at the intersections
- Reduced traffic delays and a better flow of traffic for motorists at all points along the corridor.

COVID health orders

NSW Government health orders, and related work restrictions, have resulted in a short construction pause from 17 July 2021 to 31 July 2021. This work is being undertaken in line with the current Public Health Orders and a COVID-19 Safety Plan is in place, including face masks and QR codes.

Recent works

Since May 2021, we have completed:

- Partial opening of additional right turn lane at the Princes Highway/Kingsway intersection
- Bath Road pavement construction
- Reconstruction of footpaths between Auburn Road and Bath Road and opened to pedestrians
- Tree planting and landscaping works along the Princes Highway service road
- Traffic switch between Oak Road and Kingsway to commence median upgrades
- Pavement construction on the Princes Highway service road
- Completed Acacia Road (north) slip lane works including raised pedestrian crossing
- Traffic switch on Princes Highway between Auburn Road and Oak Road, enabling median upgrade works to commence.

Princes Highway service road looking westbound from Peach Tree Lane.

Our work schedule

Until the end of 2021, we will work up to **five nights** and **six days** a week, weather permitting. Our standard **night work hours** will be **8pm-5am** up to **five nights** a week. Our **daytime work hours** will be **7am-6pm from Monday to Friday** and **8am-5pm at weekends**.

We will:

- Continue storm water drainage construction in medians
- Utility relocations and upgrades
- Continue pavement construction works for new lanes along the Princes Highway
- Continue asphalt placement in key areas throughout project
- Continue installation of major advisory signage installation throughout project
- Continue traffic signal upgrades and intersection improvement works, including upgrades to pram ramps.

Project Milestone

Transport for NSW has hit another milestone with the completion of the Princes Highway service road pavement and landscaping works. Work that resolves issues directly impacting residents and businesses along the corridor have been prioritised. We understand the community has been impacted by disruptions to the project, so we will continue working closely with our contractors to complete the works safely.

Save travel time

Better and more reliable trips
for people, business and freight

Easing congestion

Improving safety

Privacy Transport for NSW ("TfNSW") is subject to the Privacy and Personal Information Protection Act 1998 ("PPIIP Act") which requires that we comply with the Information Privacy Principles set out in the PPIIP Act. All information in correspondence is collected for the sole purpose of assisting in the delivery of this project. The information received, including names and addresses of respondents, may be published in subsequent documents unless a clear indication is given in the correspondence that all or part of that information is not to be published. Otherwise TfNSW will only disclose your personal information, without your consent, if authorised by the law. Your personal information will be held by TfNSW at 27 Argyle Street, Parramatta. You have the right to access and correct the information if you believe that it is incorrect.

What's happening next

- Demolition of existing medians
- Construction of new road pavement for widening works
- Construction of new medians and median infills
- Storm water drainage construction in medians
- Installation of signage and road furniture along the Princes Highway corridor
- Asphalt surfacing works in all areas of the project until project completion.

Traffic changes

There will be temporary traffic changes during our work hours to ensure the work zone is safe. Lane closures will be in place and may affect travel times. Please keep to speed limits and follow signs and traffic controllers' directions. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.
