# Have Your Say – Princes Highway and Bates Drive Intersection Upgrade, Kareela

The NSW Government is funding proposed improvements to the intersection of Princes Highway and Bates Drive, Kareela as a part of the \$450 million Urban Roads Congestion Program.

The upgrade will reduce congestion and deliver safer and more reliable journeys for those travelling on one of Sydney's busiest corridors.

## The Proposal

- Widen Bates Drive to accommodate a third right-turn lane onto Princes Highway southbound from Bates Drive
- Construct new kerb and adjust pedestrian refuge island to cater for reconfigured left-turn slip lane off Princes Highway northbound and onto Bates Drive
- Construct a new median leading up to the intersection along Bates Drive
- Install a new signalised pedestrian crossing across Garnet Road
- Include bicycle lanterns at all pedestrian crossings within the intersection

- Re-delineate intersection, Princes Highway and Bates Drive
- Reconfigure and install traffic lights to accommodate changes in phasing and pedestrian movements.

## The Benefits

- Reduce the delays on Bates Drive and improve overall intersection performance
- Reduce delays and queuing for the right turn traffic from Princes Highway northbound onto Bates Drive
- Improve road safety for all road users, particularly pedestrians and cyclists
- Improve freight efficiency.

## We Want Your Feedback

We encourage you to send us your feedback on the proposed intersection upgrade by 18 December 2022 via email to [projects@transport.nsw.gov.au](mailto:projects@transport.nsw.gov.au) or phone 1800 684 490.

We will carefully consider your feedback and continue to keep you updated as the project progresses.
