

Start of signposting work on the Princes Highway, between King Georges Road, Blakehurst and President Avenue, Kirrawee from Friday 24 July.

The NSW Government is introducing a new clearway on the Princes Highway between Blakehurst and Kirrawee to improve traffic flow and reduce congestion.

Roads and Maritime Services will carry out the work, which includes installing signs and posts and line marking.

This work will take **three** shifts to complete from **Friday 24 July** to **Sunday 26 July**, weather permitting. Our working hours will be from **7pm** to **5am**.

Clearway hours

The Princes Highway clearway will operate from **Monday 27 July** in both directions:

- Weekdays from 6am to 10am and from 3pm to 7pm
- Weekends from 10am to 7pm.

Vehicles parked in the clearway risk being fined and towed. Please call the Transport Management Centre on 131 700 to report a vehicle parked in a clearway or if your vehicle has been towed from a clearway.

Alternative parking arrangements

As recently announced, Kogarah City Council have implemented alternative parking to provide customers with suitable short term parking near businesses during clearway hours:

- Providing 10 additional parking spaces at the Blake Avenue car park, increasing capacity to 16 cars
- Introducing one hour parking to four spaces on James Street between the Princes Highway and Stuart Lane
- Introducing one hour parking restrictions to four spaces in the Stuart Lane public car park
- Installing line marking to the existing car park on Church Street/Water Street, Blakehurst to provide 31 spaces.

How will the work affect you?

We will make every effort to minimise noise by arranging the work in stages at different locations.

Traffic changes

There will be some temporary traffic changes to make sure the work zone is safe.

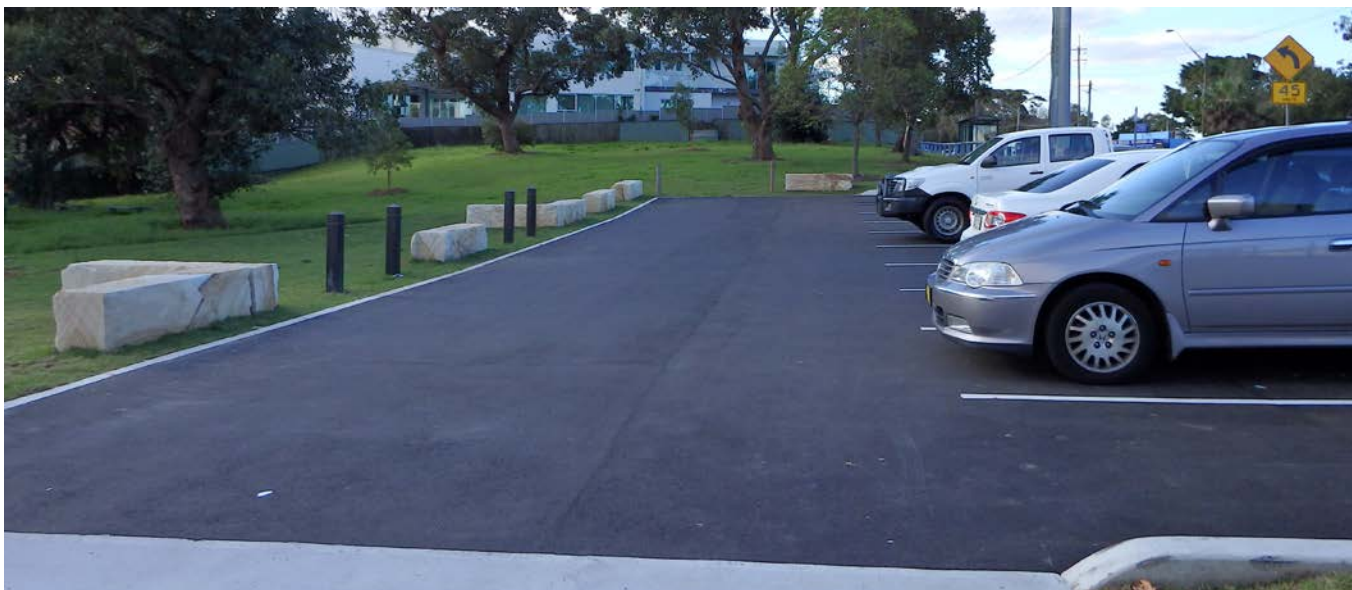

Lane closures will be in place and may affect travel times. Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.
