

Night work continuing at St Martins Crescent and Blacktown Road/Prospect Highway intersection, Blacktown from Wednesday 1 September

The NSW Government is upgrading Prospect Highway between Reservoir Road, Prospect and St Martins Crescent, Blacktown to reduce congestion and help meet future traffic demands on this corridor.

Transport for NSW has engaged Ausconnex to carry out early work on Prospect Highway between Blacktown Road and St Martins Crescent. Over the next month, Ausconnex will carry out key utility relocation work required for the future upgrade.

This work includes relocating the existing 33KV and 11KV electrical network near the St Martins Crescent and Blacktown Road/Prospect Highway intersection and under Blacktown Road.

The safety and wellbeing of our workforce and the wider community is our highest priority. This work is in line with the Public Health Order and a COVIDSafe plan is in place, including masks and QR codes.

Should COVID-19 restrictions impact the timing of our work, the community will be notified. We encourage you to subscribe to our project email distribution for the latest information, by calling us on 0466 520 143 or emailing prospecthighway@transport.nsw.gov.au

Our work schedule

We need to carry out some of this work at night to lessen the disturbance to traffic and improve safety for workers and road users. We will be on site for up to 10 night shifts between Wednesday 1 September and Thursday 30 September, weather permitting.

Our work hours will be:

- Monday to Sunday: 9pm to 5am

How will the work affect you?

Our work may be noisy at times during the night time but we will do everything we can to lessen the disturbance of this work on surrounding residents and businesses. Any high noise impact works such as cutting the road asphalt will be undertaken before 11pm.

We will carry out this work in accordance with the NSW Environmental Protection Authority (EPA) and the Environmental Protection Licence (EPL) requirements including the following conditions to provide some relief:

- no more than two consecutive evenings or nights per week
- no more than three evenings or nights per week
- no more than 10 evenings or nights per month

Traffic changes

There will be temporary traffic changes during our work hours to ensure the work zone is safe. Please keep to speed limits and follow signs and traffic controllers' directions.

For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Thank you for your patience during this important work.
