

Temporary road closures of Stoddart Road and Great Western Highway, Prospect from Thursday 4 March 2021

The NSW Government is upgrading Prospect Highway between Reservoir Road, Prospect and St Martins Crescent, Blacktown to reduce congestion and help meet future demands on this corridor.

Transport for NSW is continuing to carry out early work on the Prospect Highway upgrade between Blacktown Road and St Martins Crescent. As part of this work we will temporarily close two intersections overnight to enable us to relocate utilities. Detours will be in place via Rowood Street and Blacktown Road during these closures

We will temporarily close access between **Stoddart Road** and Prospect Highway from:

- **9:30pm Thursday 4 March to 5am Friday 5 March**
- **9:30pm Friday 5 March to 5am Saturday 6 March**

We will temporarily close the east bound on ramp to **Great Western Highway** from Prospect Highway from:

- **11:30pm Monday 8 March to 4:30am Tuesday 9 March**
- **11:30pm Wednesday 10 March to 4:30am Thursday 11 March**

What we will be doing

We will be relocating the existing 33KV and 11KV electrical network at the intersections of Stoddart Road and Great Western Highway along Prospect Highway. We are completing this work at night to minimise the impact to traffic and improve safety for workers and road users.

We will keep you further informed of upcoming road closures.

Traffic changes

There will be temporary traffic changes during the road closure to ensure the work zone is safe. Electronic message signs and traffic control will be in place to direct road users through these changes. Please keep to speed limits and follow signs and traffic controllers' directions.

Traffic will be able to access and exit Stoddart Road via Rowood Road and Blacktown Road. Traffic will be able to access Great Western Highway via Blacktown Road

For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions, please contact our delivery partner Ausconnex on 0466 520 143 or email prospecthighway@transport.nsw.gov.au
