

New and extended clearways on Punchbowl Road between Punchbowl and Croydon Park, from Monday 18 December

The NSW Government is funding this project as part of the \$121 million Clearways Program, which aims to reduce congestion and delays on Sydney's roads.

Roads and Maritime Services is installing new and extended clearways on Punchbowl Road from King Georges Road, Punchbowl to Coronation Parade, Croydon Park. We have included a map to show the location of the new and extended clearways.

Extending the operating hours of existing clearways and installing new weekend clearways will help manage traffic flow and delays by restricting parking when warranted by traffic volumes. It will also allow us to tow vehicles that stop illegally or break down. This will ensure that two continuous traffic lanes are available when Punchbowl Road is near capacity.

The new weekend and extended clearways will operate on Punchbowl Road from:

- **6am to 7pm on weekdays**
- **9am to 6pm on weekends and public holidays.**

No changes will be made to the eastbound three lane section of Punchbowl Road from Colin Street to Benaroon Road with the existing weekday clearway continuing to operate from 6am to 10am and 3pm to 7pm. The westbound parking lane from Yerrick Road to Colin Street will also be unchanged.

Changes to the clearways will be operational from **Monday 18 December**. Any vehicles parked in the clearways on or after this date will risk being fined and towed.

What happens next?

On **Thursday, 16 November**, the project team will be available to discuss the project at Roselands Shopping Centre between **4pm and 8pm**. The information counter will be located on Level 1 at the side of the glass lift. This will allow the community to speak with the project team about the proposed clearway changes. The Roselands Shopping Centre is located on Roselands Drive, Roselands.

The new clearway signs and posts will be installed between **Monday 4 December** and **Sunday 17 December**, weather permitting. Our working hours will be between **8pm and 5am** from **Monday to Sunday**. There will be some noise associated with this work but we will do everything we can to minimise its impact, including completing the noisier tasks by **11pm**.

During the installation work, there will be some temporary traffic changes to ensure the work zone is safe. Lane closures will be in place and may affect travel times. Please keep to speed limits and follow signs and traffic controllers' directions. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

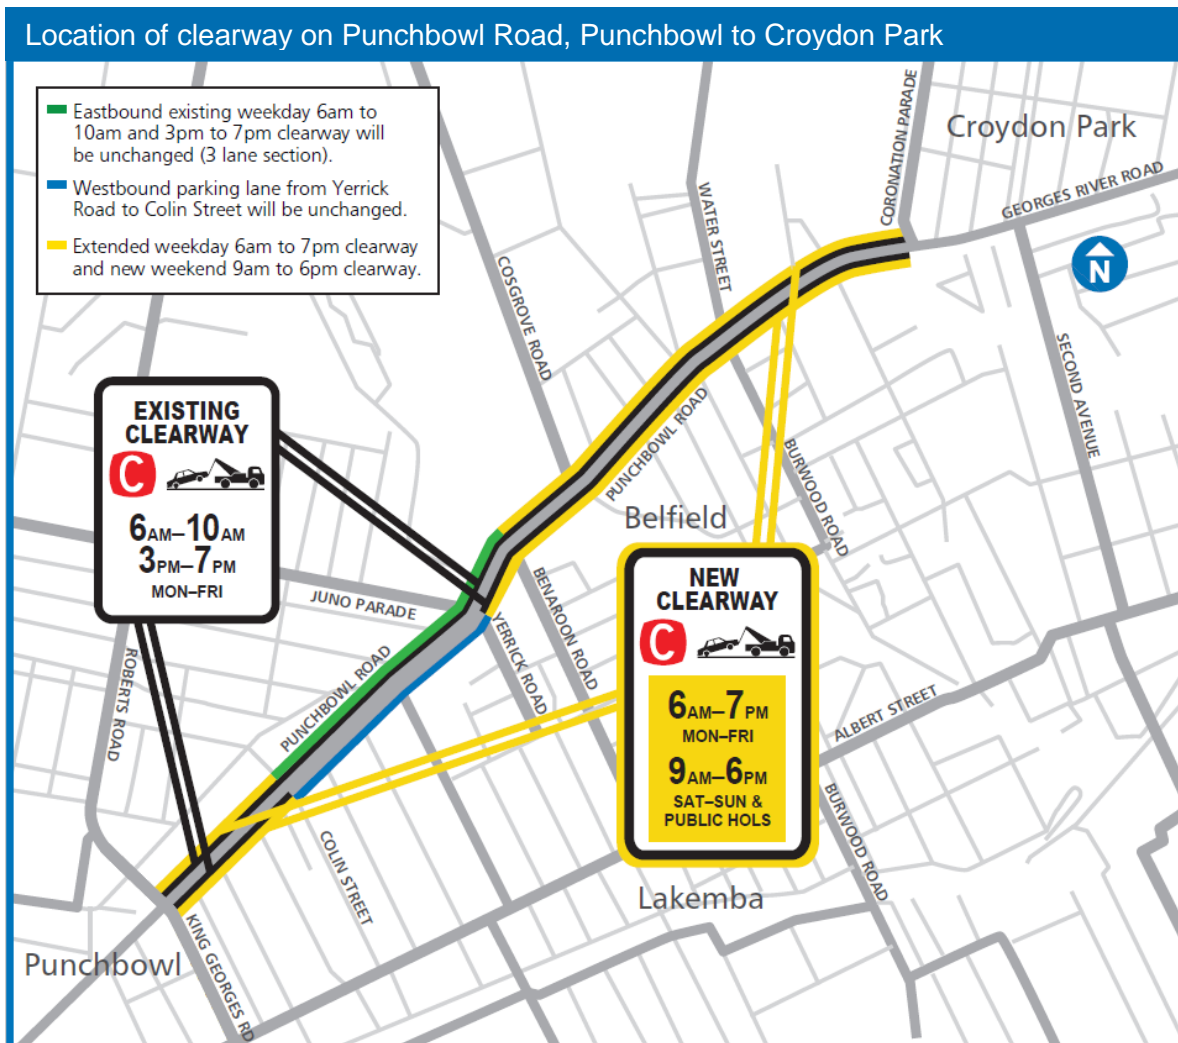

What is a Clearway?

A clearway is a section of road where stopping and parking is not allowed during the times shown on the clearway sign. Clearways are put on roads with heavy traffic and congestion. They help keep vehicles moving by making all lanes available to motorists. The only exception is the stopping of buses and taxis dropping off or picking up passengers as well as emergency vehicles. If you park in a clearway during the specified hours you risk being fined and your vehicle can be towed.

To report a vehicle parked in a clearway or if your vehicle has been towed from a clearway, please call Transport Management Centre on 131 700.

Contact

If you have any questions or would like further information, please contact the Clearways project team on 1300 706 232 or clearways@rms.nsw.gov.au. For more information on our projects, visit rms.nsw.gov.au/clearways. Thank you for your patience during this important work.
