BUILDING OUR FUTURE

March 2019

Work continuing on intersections upgrades in North Richmond

Work is continuing to upgrade the Bells Line, Grose Vale and Terrace Roads intersection at North Richmond.

Roads and Maritime began upgrading the Bells Line of Road, Grose Vale Road and Terrace Road intersection in June 2017. The intersection upgrade will ease congestion for local residents and commuters travelling to Richmond.

The upgrades include:

- creating two westbound lanes on Bells Line of Road from Pitt Lane to ease congestion for motorists crossing the Hawkesbury River into North Richmond
- providing a second right turn lane onto Bells Line of Road by widening Grose Vale Road to improve traffic flow towards Richmond
- extending each Bells Line of Road right turn lane onto Terrace Road and Grose Vale Road to reduce travel times for road users travelling between Richmond and North Richmond
- upgrading pedestrian crossings to improve safety for pedestrians.

We are continuing work on this intersection upgrade.

Our work schedule

We will be back on site to complete the final stage of work for another **39 night shifts** and **41 day shifts** between **Monday 1 April** and **Friday 31 May**, excluding public holidays, weather permitting.

Our night work hours will be between **7pm** and **7am** from **Sunday** to **Friday**. Our day work hours will be between **7am** and **7pm** from **Monday** to **Friday** and between **8am** and **1pm** on **Saturdays**.

Contact

If you have any questions about the project or the night work schedule please contact DM Roads on 1800 332 660 during work hours or NSW_projects@dmroads.com.au.

For more information on our projects, visit rms.nsw.gov.au/projects/sydney-west/index.html.

Thank you for your patience during this important work.

What work have we completed?

- Widened along Bells Line of Road eastbound to the intersection with Terrace Road
- Prepared for traffic signal installation.

What work is remaining?

- Widening the remaining sections of road at this intersection
- Installing new traffic lights
- Line marking.

The intersection improvements will be open to traffic by the end of March, weather permitting.

We will remain on site until late May to finish the remaining footpaths, asphaltting, traffic signals, landscaping and line marking.

How will the work affect you?

Our work may be noisy at times but we will continue to do everything we can to minimise its impact, including completing the noisier tasks by **midnight** and staging them in different locations.

Traffic changes

There will be temporary traffic changes during our work hours to ensure the work zone is safe. Lane closures will be in place and may affect travel times. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

For road user and worker safety, please keep to the speed limits and follow signs and traffic controllers' directions.

If you need help understanding this information, please contact the Translating and Interpreting Service on 131 450 and ask them to call us on 1800 332 660.
