

Australian Government

BUILDING OUR FUTURE

Investigation work on James Ruse Drive and Prospect Street, Rosehill, from Monday 7 February

The Australian and NSW Governments are investing more than \$400 million to improve safety and reduce crashes on NSW roads.

Transport for NSW will be conducting further investigation work at James Ruse Drive and Prospect Street, Rosehill, to help plan for future road safety improvements in the area.

We will be undertaking investigations including digging bore holes to take soil samples. The below map shows the location of our work.

Location of work

Road safety stimulus projects

Pendle Hill, Parramatta and Ermington have been earmarked for road safety improvements as part of a more than \$400 million investment by the Australian and NSW Governments to deliver hundreds of road safety projects across NSW, designed to reduce road trauma and save lives. These projects will also support more than 2,500 direct and indirect jobs as the economy recovers from COVID-19.

Our work schedule

We will be on site for **up to two night shifts** between **Monday 7 February** and **Wednesday 9 February**, weather permitting.

Our night work hours will be between **8pm to 5am** the next day.

How will the work affect you?

Our work will need to be carried out at night to minimise disruption to traffic and reduce safety risks to our workers and motorists.

Our work may be noisy at times but we will do everything we can to minimise its impact, including completing the noisier tasks by midnight.

This work is in line with the current Public Health Orders and a COVID-19 Safe plan is in place.

Traffic changes

There will be some temporary traffic changes during our work hours to ensure the work zone is safe. Lane closures will be in place and may affect travel times. Please keep to speed limits and follow the direction of traffic controllers and signs.

For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App
