

# Intersection upgrade at Windsor Road and Ventura Road, Northmead from Tuesday 14 June 2022

May 2022

The Australian and NSW Governments are investing more than \$400 million to improve safety and reduce crashes on NSW roads.

Transport for NSW is upgrading the traffic lights at the intersection of Windsor Road and Ventura Road, Northmead as part of the Road Safety Stimulus Program. Traffic light displays will be upgraded to improve traffic flow and increase safety at the intersection for pedestrians and road users.

In March, we advised that this work would be completed in April 2022. Due to wet weather the work was unable to be carried out at that time. This work has now been rescheduled between **Tuesday 14 June** and **Sunday 3 July 2022**.

Work will include additional traffic light displays being installed on the existing traffic signal posts. These changes will mean that motorists turning left from Ventura Road **will no longer be able to 'turn left on red'** as previously allowed. Motorists will now only be able to turn left when on green light, left turn arrow.

Motorists turning right from Ventura Road will need to continue to follow the directions of traffic lights.

The below map shows the location of our work.

## Our work schedule

We will be on site for **two night shifts** between **Tuesday 14 June** and **Sunday 3 July 2022**, weather permitting.

We expect our work to be completed by mid-June however we have added additional time to cover any unforeseen circumstances, including wet weather.

Our night work hours will be from **8pm to 5am**, the next day, **Sunday to Thursday**. We will not work on Saturdays or on public holidays.

## How will the work affect you?

Our work needs to be carried out at night to minimise disruption to traffic and reduce safety risks to our workers and motorists.

Equipment used may include a scissor lift and powered hand tools.

Our work may be noisy at times, but we will do everything we can to minimise its impact, including completing the noisier tasks by **midnight**.

## Traffic changes

There will be some temporary traffic changes during our work hours to ensure the work zone is safe. Lane closures will be in place and may affect travel times. Please keep to speed limits and follow the direction of traffic controllers and signs.

For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App.

Transport for NSW thanks the community for their patience while we complete this important work.
