

## Intersection improvements at Luxford Road and Rooty Hill Road North, Oakhurst

### Project complete

Roads and Maritime Services | June 2018

The NSW Government funded this proposal as part of its \$225 million Pinch Point Program which aims to reduce delays, manage congestion and improve travel times on Sydney's major roads.

### Completed Works

The completed work includes:

- modified through and right turn lane enabling dual right turns onto Luxford Road
- adjusted median to create an additional right turn lane into Rooty Hill Road North
- installed left turn slip lane from Luxford Road onto Rooty Hill Road North
- a new traffic island on Luxford Road to accommodate a signalised pedestrian crossing
- reconstructed kerbs and footpaths.

For more information on our projects, visit [rms.nsw.gov.au](http://rms.nsw.gov.au).

### Key benefits

The key benefits to the community include:

- improved traffic flow on Rooty Hill Road North and Luxford Road
- reduced congestion and improve travel times
- improved safety for pedestrians crossing Luxford Road.

### Thank you

We appreciated your patience while we delivered this important project.
