

Vegetation clearing along the Kamilaroi Highway near Baan Baa from 21 November 2022

The NSW Government is funding \$26.4 million to boost safety on the Kamilaroi Highway between Baan Baa and Turrawan as part of the Saving Lives on Country Roads program.

In preparation of the final stage of the project, Transport for NSW will be carrying out vegetation removal along section 4 of the Kamilaroi Highway for the safety upgrades between Baan Baa and Turrawan. Section 4 includes 3.2 kilometres of road corridor north of Baan Baa. We have included a map to show the location of the works.

We have prepared a Review of Environmental Factors in preparation for this work, which identifies the vegetation that is required to be removed to allow the widening of the road and safety improvements.

We will be working between **7am** and **6pm Monday to Friday** and **8am** and **1pm** on **Saturdays** from **Monday 21 November**. We expect to complete the work in **two weeks**, weather permitting. We will let you know in advance if we need to do any work outside these times.

Construction of Section 4 is scheduled to start in early December 2022, with Section 2 due to be completed in early 2023.

How will the work affect you?

The work will involve the use of machinery which generates some noise. We will make every effort to minimise noise by turning off machinery and vehicles when not in use.

Traffic changes

There will be temporary traffic changes to ensure the work zone is safe.

Lane closures and a 40km/h speed limit will be in place during work hours and may affect travel times. Motorists should allow up to 5 minutes extra travel time during this work.

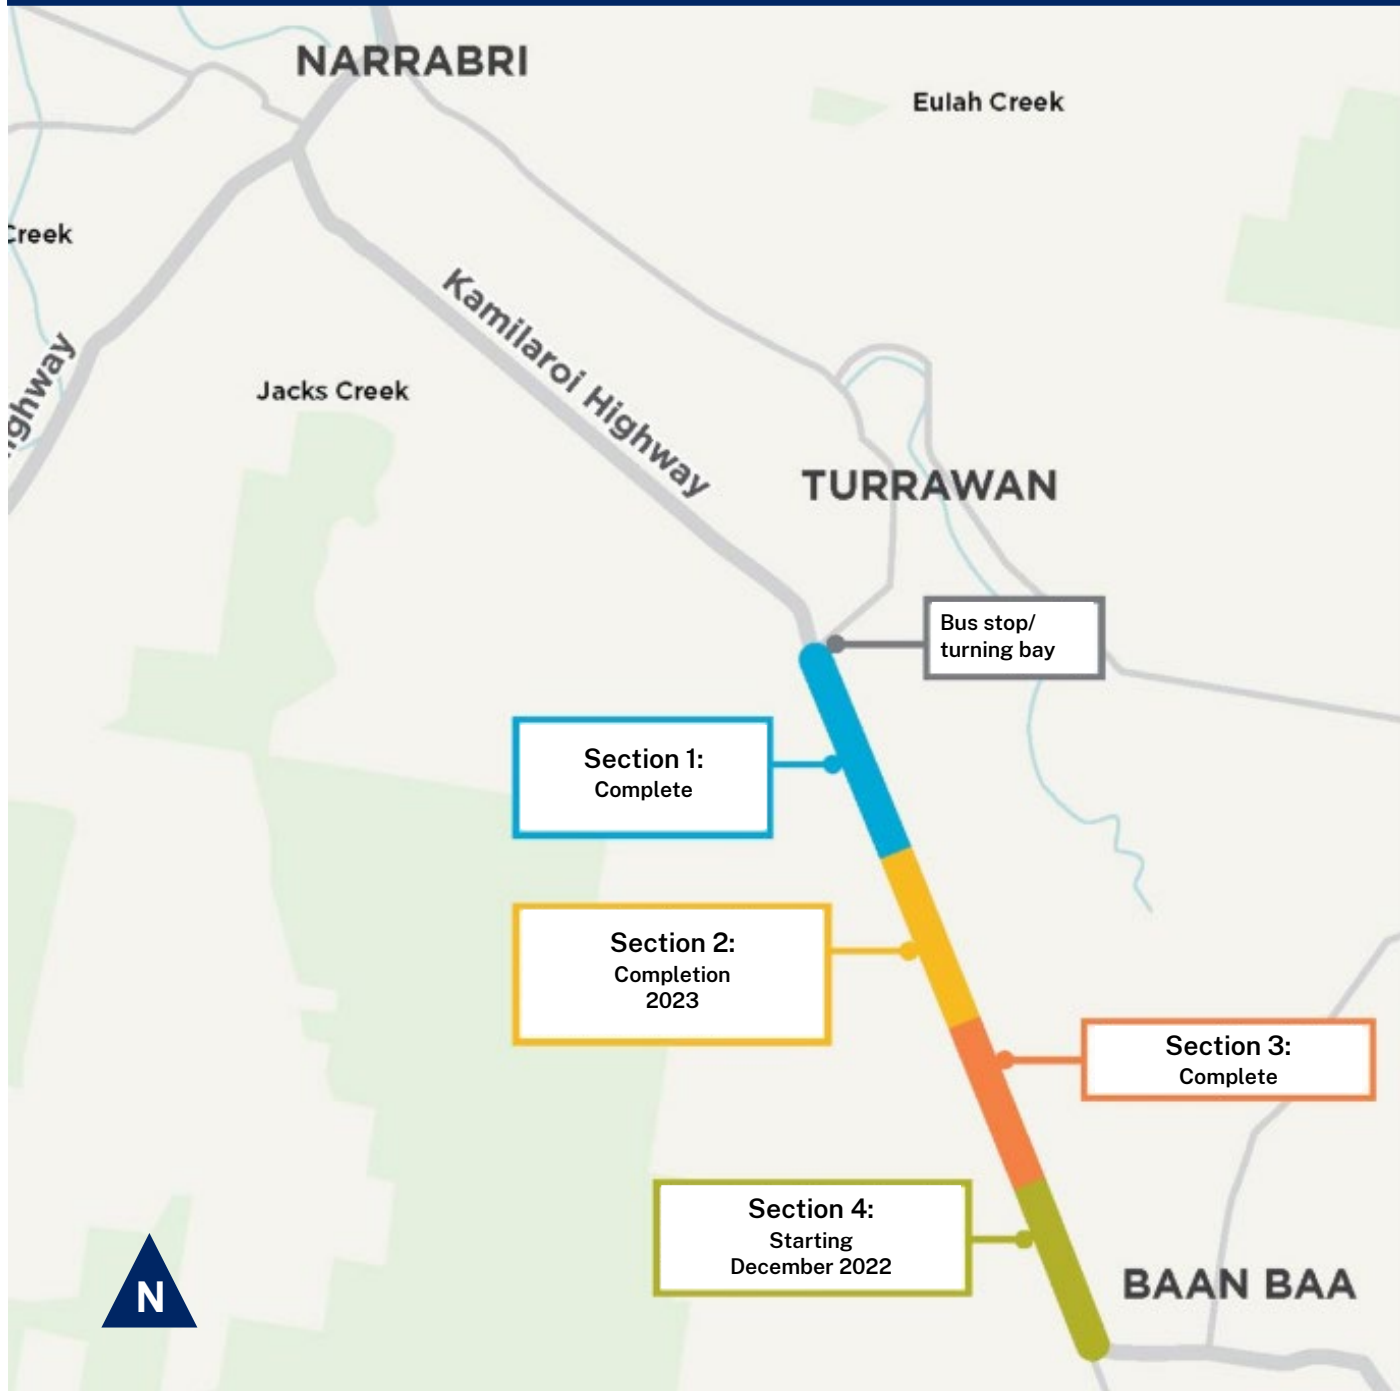

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions, please contact the project team on 1800 167 499 or western.projects@transport.nsw.gov.au

Thank you for your patience during this important work.
