

New and extended clearways on Silverwater Road and Stewart Street – Auburn to Ermington, from Monday 17 October

The NSW Government is acting to reduce congestion and delays by introducing new and extended clearways on Sydney's roads.

Roads and Maritime Services is installing new and extended clearways on Silverwater Road and Stewart Street between Parramatta Road, Auburn and Marsden Road, Ermington. We have included a map to help explain where the new clearways will be implemented.

Supplementing the existing No Stopping/No Parking restrictions with clearways will help to improve traffic flow and reduce delays by allowing us to tow vehicles that stop illegally or break down. This will ensure all lanes are available to traffic when the road is near capacity.

The new clearways will operate in both directions from:

- 6am to 7pm on weekdays
- 9am to 6pm on weekends.

The existing No Stopping and No Parking restrictions will continue to operate outside of these clearway times.

The new and extended clearways will be in place from **Monday 17 October** 2016. Any vehicles parked in the clearway on or after this date would risk being fined and towed.

What is a clearway?

You must not stop or park on a length of road where a clearway sign is present. The drivers of public buses and taxis are permitted to stop when dropping off or picking up passengers. If your vehicle is left in a clearway it will be towed away, usually to a nearby street, and fines apply.

To report a vehicle parked in a clearway or if your vehicle has been towed from a clearway, please call the Transport Management Centre on 131 700.

What happens next?

We will be introducing new and extended clearways on Silverwater Road and Stewart Street from Parramatta Road, Auburn to Marsden Road, Ermington.

The installation of new signs and posts will be completed from **Wednesday 5 October** to **Sunday 16 October** 2016, weather permitting. Our working hours will be from **9pm** to **5am**.

How will the work affect you?

There will be some noise associated with this work. We will make every effort to minimise its impact by carrying out the noisiest work before **11pm**.

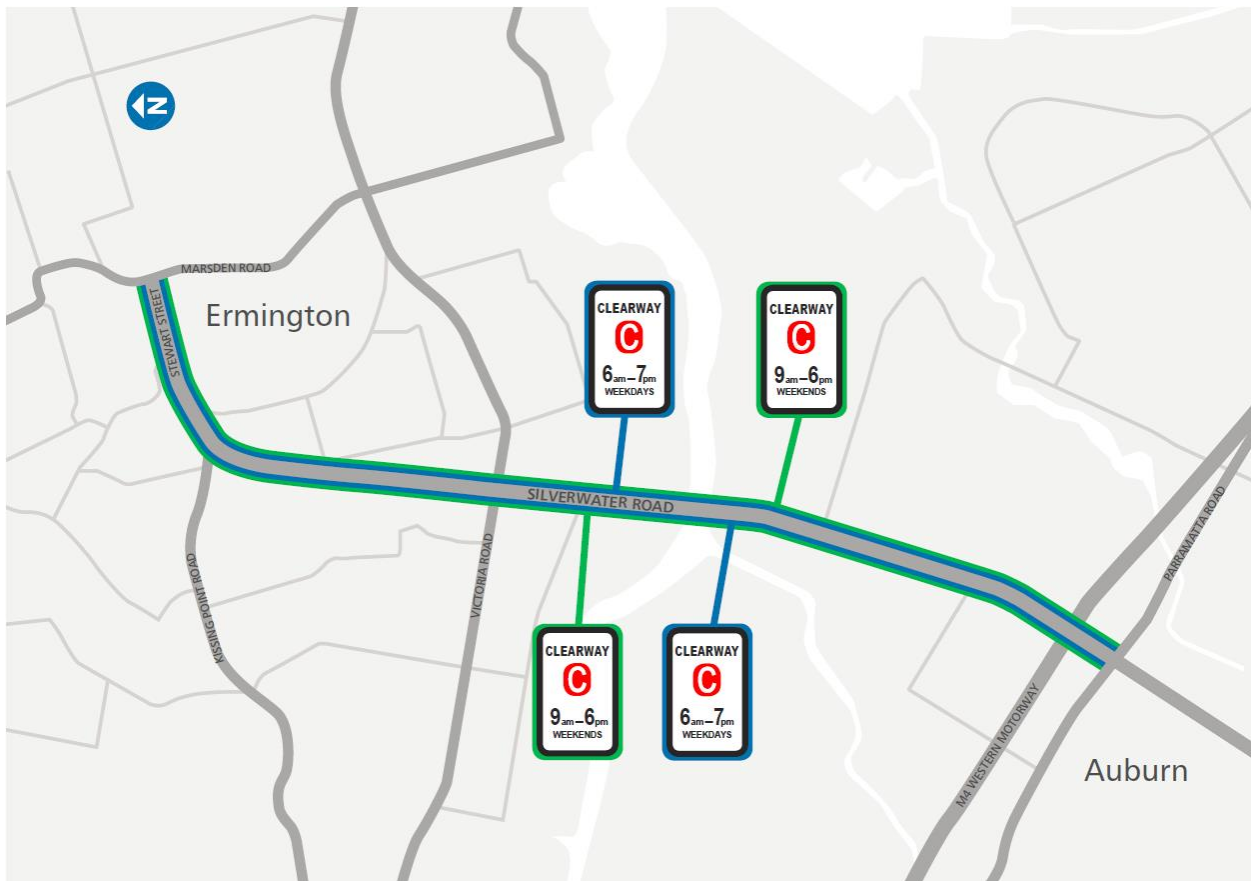

Traffic changes

There will be some temporary traffic changes to ensure the work zone is safe.

Lane closures will be in place and may affect travel times. Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any queries or would like further information please contact the Roads and Maritime project team on 1300 706 232 or email clearways@rms.nsw.gov.au.
