

Bus priority improvements on Smith Street and Wilde Avenue, Parramatta

Bus lane extensions installation

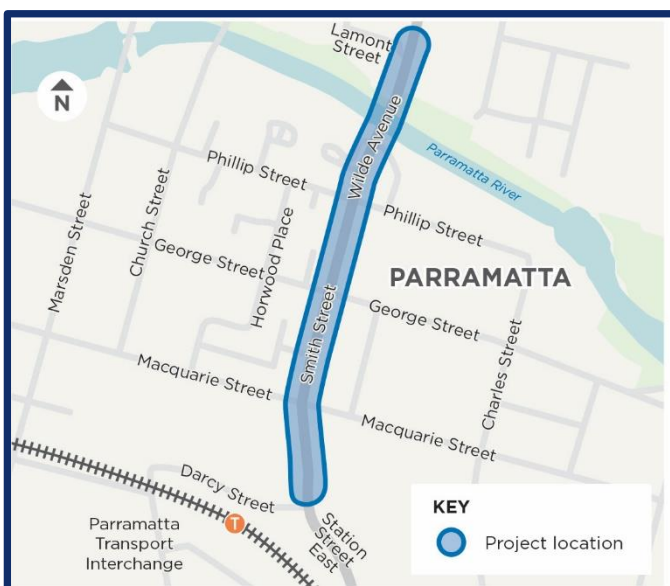

Transport for NSW | February 2020

The NSW Government's Bus Priority Infrastructure Program is improving the reliability and efficiency of bus services, while easing congestion for all road users.

As part of this, Transport for NSW is extending bus lanes on Smith Street and Wilde Avenue, Parramatta.

These improvements will help make bus services more reliable and efficient.

Project location

What is happening?

From 10 February work is starting to provide continuous bus lanes on Smith Street and Wilde Avenue, including:

- extending existing bus lanes in sections of Smith Street and Wilde Avenue
- painting kerbside bus lanes and installing new kerbside bus lane markings
- reconfiguring general traffic lanes between Darcy Street and George Street
- carrying out road resurfacing, line marking and signage changes

How will the work affect you?

Our work may be noisy at times but we will do everything we can to minimise its impact, including completing noisier tasks by **midnight**.

Driveway and footpath access to properties will be maintained at all times. Temporary relocation of bus stops may be required during night works and bus customers will be redirected by site personnel during this time.

Temporary traffic changes during work hours will ensure the work zone is safe. For the latest traffic updates please call **132 701**, visit [livetraffic.com](https://www.livetraffic.com) or download the **Live Traffic NSW App**.

Our work schedule

We will be on site for **25 shifts** between **Monday 10 February** and **Sunday 29 March**, weather permitting.

Our work hours will be between **8pm** and **5am** from **Sunday** to **Friday**.
