

Bus stop changes in San Souci and Ramsgate

Transport for NSW | March 2022

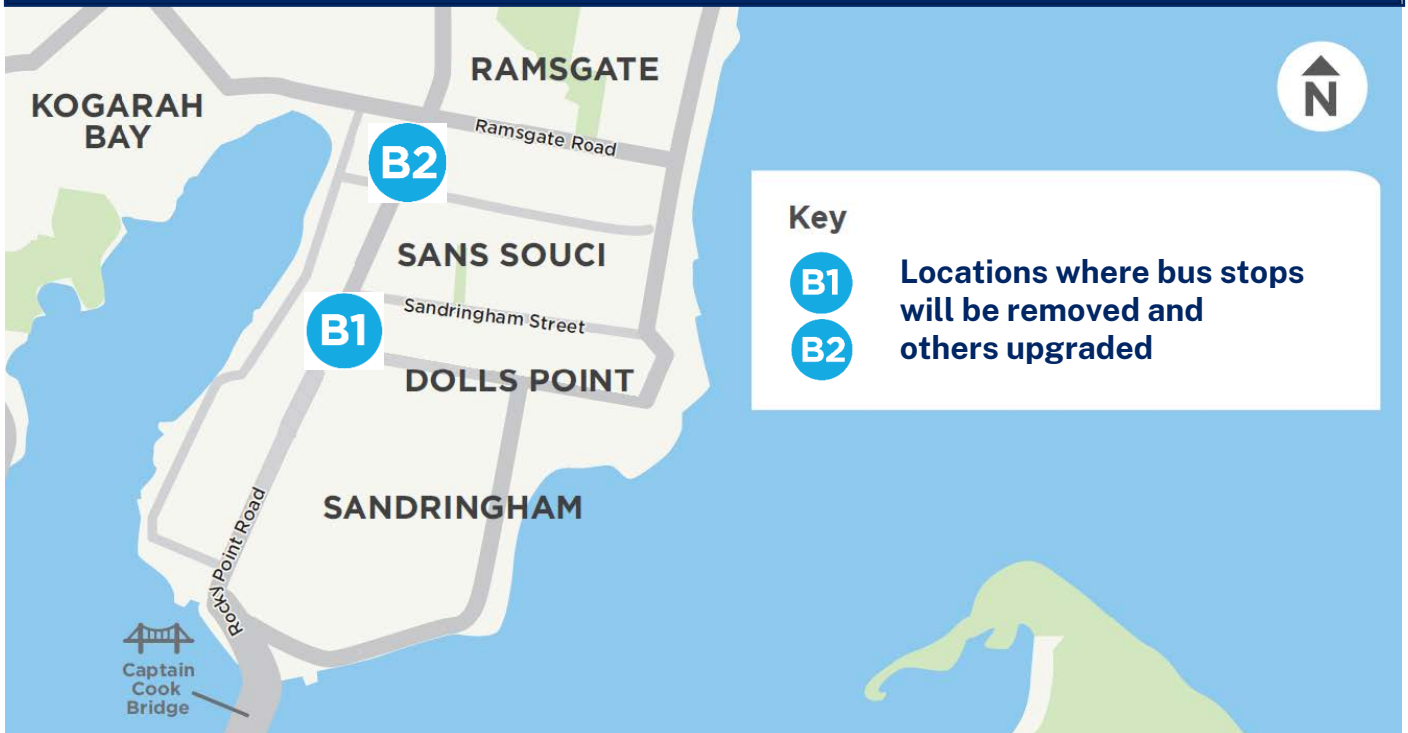

Transport for NSW is removing three bus stops and upgrading six bus stops on Rocky Point Road. These changes will take effect from March 21, 2022.

In 2021, Transport engaged with the local community about these changes, working to improve bus reliability and on-time running in San Souci and Ramsgate. The finalised bus stop changes reach a balance between maintaining a reasonable walking distance to bus stops and an efficient bus network. You can see the changes overleaf.

Transport will also make accessibility upgrades to bus stops. Making adjustments to the number of bus stops along a bus corridor also helps improve bus travel times. Each bus stop location is considered with a focus on the safety of bus customers and motorists.

The NSW Government has funded the Gateway to the South bus improvements program to improve the reliability of bus services on southern Sydney's main bus corridors.
