

# Airport precinct upgrade – Weekly update

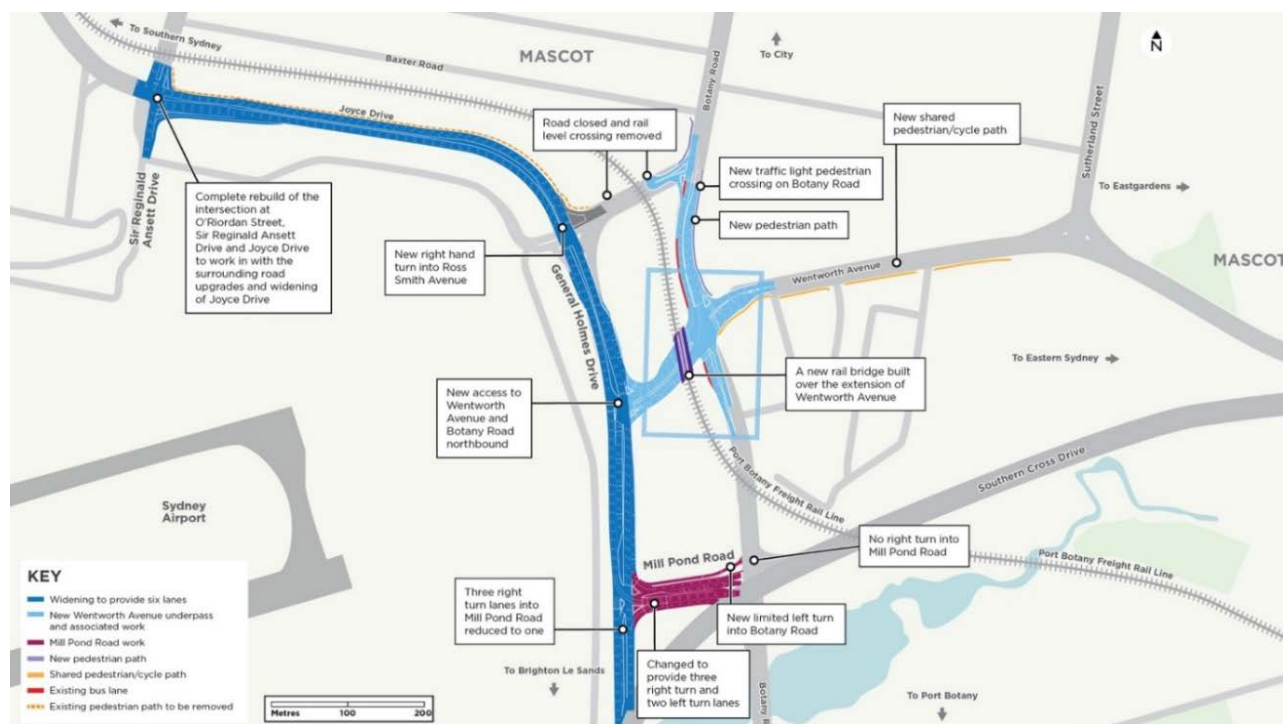

Week commencing Sunday 31 March 2019

## Airport East project work includes:

- service identification and relocation along Joyce Drive
- service identification and relocation, including signal trenching and adjustment along General Holmes Drive and Mill Pond Drive
- road work, including median installation and concrete work on General Holmes Drive
- identifying underground utility locations and pavement investigation along Botany Road, Botany Lane, Bronti Street, Mill Pond Drive, Wentworth Avenue, Hardie Street, Beresford Street, General Holmes Drive and Joyce Drive
- construction work inside the site compound area on Wentworth Avenue and along the work areas on Botany Road and Wentworth Avenue, including stormwater and sewer works, median and barrier installation, light pole removal and footpath work at the corner of Beresford Street
- service relocation, including drainage and kerb installation at the Botany Road end of Bronti Street during night shift between 9pm and 5am. Traffic detours in place
- extended construction work hours from 7pm to 5am at the new rail bridge location near Botany Road. Work will include piling and excavation
- use of the storage site in Dransfield Avenue
- construction work, including access, spoil and vegetation removal from Mill Pond Drive
- operating and monitoring groundwater systems 24/7
- delivery of construction vehicles and equipment to the work areas

Standard construction hours for the **Airport East project** are from **7am to 6pm, Monday to Friday** and **8am to 1pm on Saturday**, excluding public holidays. Out of hours work will include up to **five-night shifts** during the week and extended hours on Saturday. Our night working hours are **9pm to 5am**. Not all work during this time will be noisy.

## Airport East Precinct Upgrade

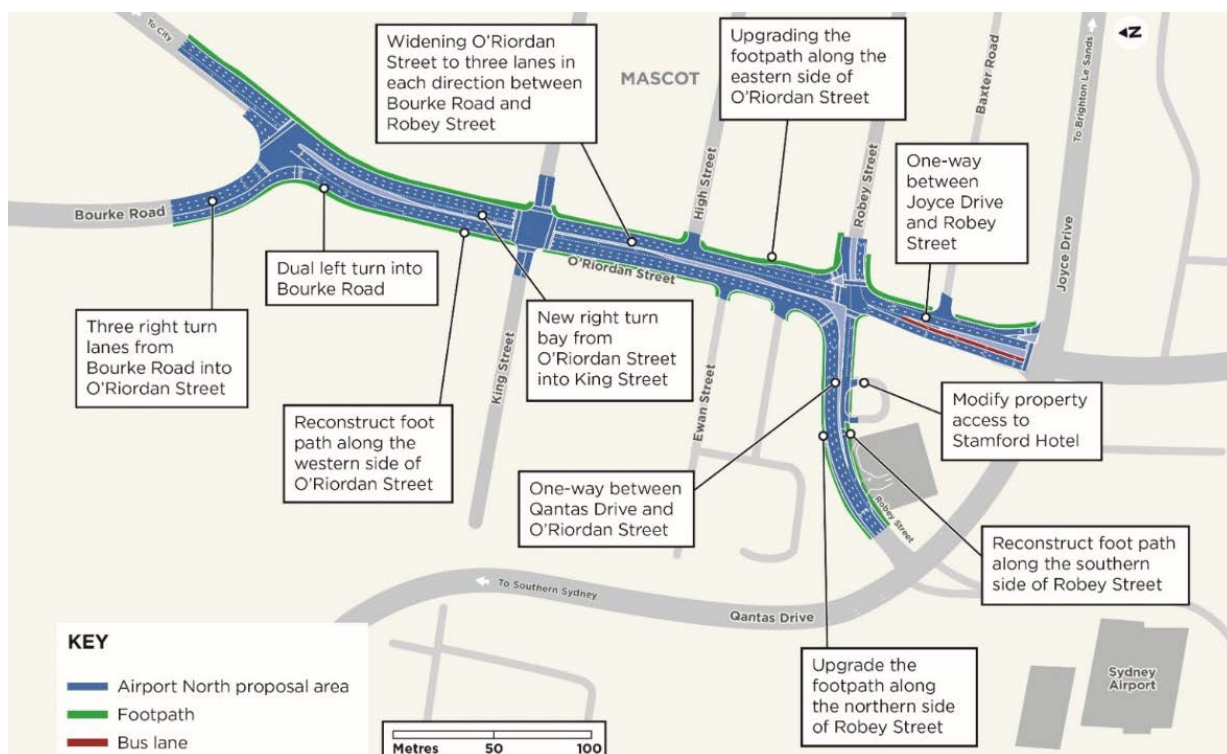

## Airport North project work includes:

- utility trenching, road crossing work, conduit installation and drainage cleaning along O’Riordan Street between Bourke Road and Baxter Road
- road work, including footpath adjustment, temporary pavement and light pole footing installation along O’Riordan Street and Robey Street
- stormwater installation, including trenching and excavation on Robey Street west
- traffic management and roadwork, including temporary line marking, sign and traffic barrier installation and temporary traffic changes along O’Riordan Street between Bourke Road and Joyce Drive
- the pedestrian footpath is closed on the eastern side of O’Riordan Street between High Street and Baxter Road – pedestrian diversions are in place.
- service identification in O’Riordan Street, Bourke Road, High Street, King Street, Robey Street and Baxter Road. This involves the use of a vacuum truck to safely identify the locations of the underground services
- ongoing pedestrian changes and detours during construction work, please follow direction of signage
- installation of environmental controls, including excavation and material removal in work areas along O’Riordan Street
- use of site compounds at 166 and 200 O’Riordan Street for delivery and removal of equipment and materials
- delivery of construction vehicles and equipment to the work areas

Standard construction hours for the **Airport North project** are from **7am to 6pm, Monday to Friday and 8am to 1pm on Saturday**, excluding public holidays. Out of hours work will include up to **five-night shifts** during the week, our night working hours are **9pm to 5am**. Not all work during this time will be noisy.

## Airport North Precinct Upgrade

There may be some noise, dust, vibration and disruption associated with this work. Machinery and equipment used may include trucks, excavators, paving machines, rollers, lighting towers, road saws, plate compactors, vacuum trucks, grinders, cranes, elevated work platforms, chainsaws, mulching machines, light vehicles, hand tools, concrete trucks and equipment.

We will continue to make every effort to minimise the impacts to the local community.

**If you have any questions about the work on either project**, please contact our delivery partner, John Holland Group on **1300 862 844** or [comms.airportprecinct@jhq.com.au](mailto:comms.airportprecinct@jhq.com.au).

For more information on our projects, visit [www.rms.nsw.gov.au/sydneyairport](http://www.rms.nsw.gov.au/sydneyairport).

Thank you for your patience during this important work.
