

Airport precinct upgrade – Weekly update

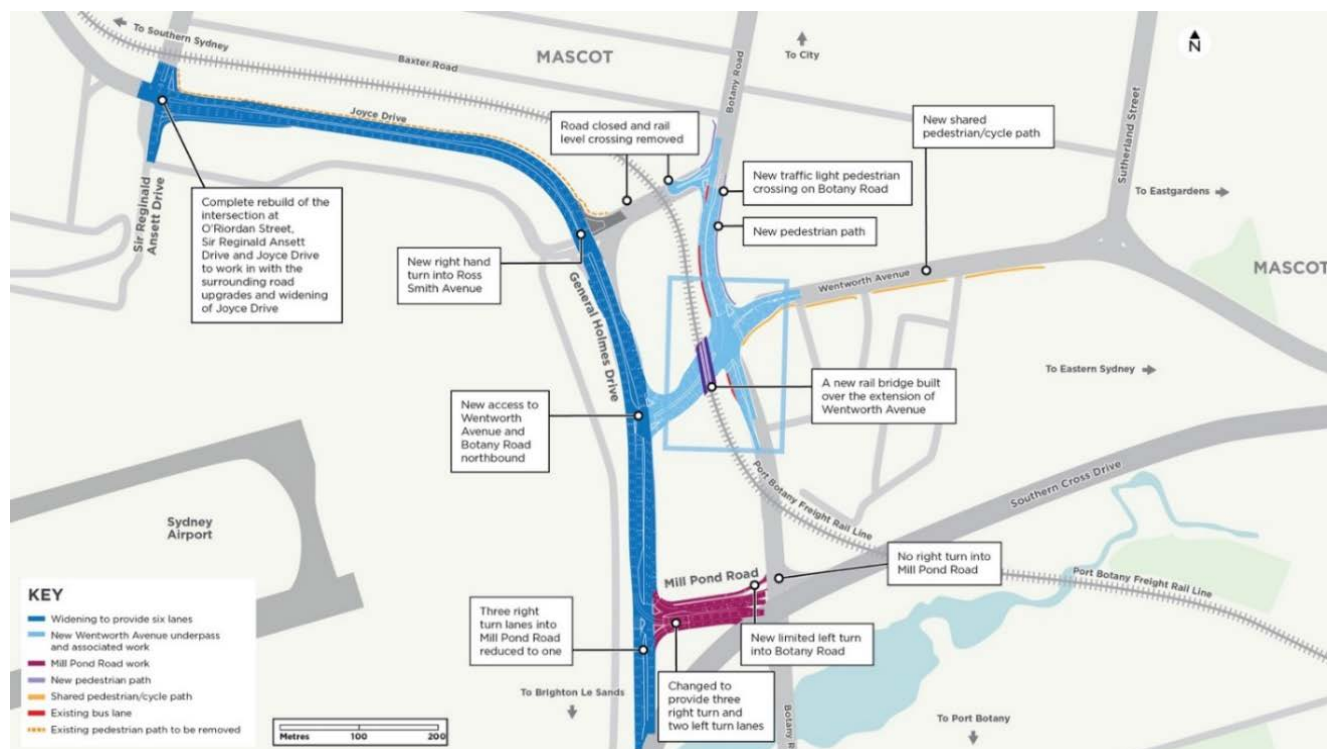

Week commencing Sunday 24 March 2019

Airport East project work includes:

- service identification and relocation, including traffic signal cables adjustment along General Holmes Drive, Joyce Drive and Mill Pond Drive
- road work, including pavement work, line marking, median and barrier installation on General Holmes Drive and Joyce Drive
- identifying underground utility locations and pavement investigation along Botany Road, Botany Lane, Bronti Street, Mill Pond Drive, Wentworth Avenue, Hardie Street, Beresford Street, General Holmes Drive and Joyce Drive
- construction work inside the site compound area on Wentworth Avenue and along the work areas on Botany Road and Wentworth Avenue, including drainage and barrier installation, watermain work, utility trenching, excavation and footpath work at the corner of Beresford Street
- service relocation, including drainage and kerb installation and footpath work, at the Botany Road end of Bronti Street during day shift from Monday 25 March to Friday 29 March. Exit from Bronti Street to Botany Road will be maintained and will be managed by traffic controllers
- extended construction work hours from 7pm to 5am at the new rail bridge location near Botany Road. Work will include piling, concrete work and excavation
- use of the storage site in Dransfield Avenue
- construction work, including access, spoil and vegetation removal from Mill Pond Drive
- operating and monitoring groundwater systems 24/7
- delivery of construction vehicles and equipment to the work areas

Standard construction hours for the **Airport East project** are from **7am to 6pm, Monday to Friday** and **8am to 1pm on Saturday**, excluding public holidays. Out of hours work will include up to **five-night shifts** during the week and extended hours on Saturday. Our night working hours are **9pm to 5am**. Not all work during this time will be noisy.

Airport East Precinct Upgrade

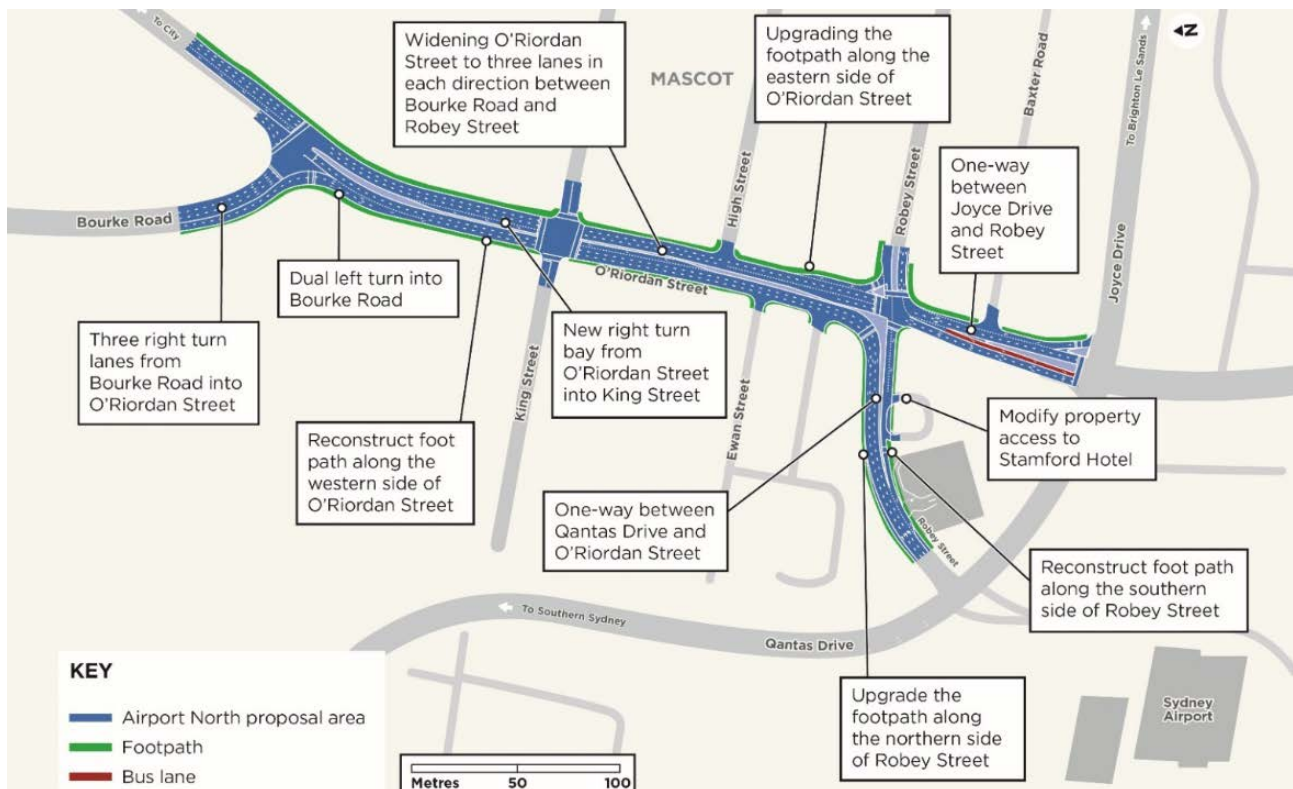

Airport North project work includes:

- traffic management and roadwork, including line marking and line removal, sign and traffic barrier installation and temporary traffic changes along O’Riordan Street between Bourke Road and Joyce Drive
- the pedestrian footpath is closed on the eastern side of O’Riordan Street between High Street and Baxter Road – pedestrian diversions are in place.
- service identification in O’Riordan Street, Bourke Road, High Street, King Street, Robey Street and Baxter Road. This involves the use of a vacuum truck to safely identify the locations of the underground services
- service relocation, including utility trenching and road crossing work along O’Riordan Street near Bourke Road and between King Street and Baxter Road
- continuing with removal of tree stumps and topsoil along O’Riordan Street between Ewan Street and Bourke Road
- sewer work, including trenching and excavation at Robey Street
- ongoing pedestrian changes and detours during construction work, please follow direction of signage
- installation of environmental controls, including excavation and material removal in work areas along O’Riordan Street
- use of site compounds at 166 and 200 O’Riordan Street for delivery and removal of equipment and materials
- delivery of construction vehicles and equipment to the work areas

Standard construction hours for the **Airport North project** are from **7am to 6pm, Monday to Friday and 8am to 1pm on Saturday**, excluding public holidays. Out of hours work will include up to **five-night shifts** during the week, our night working hours are **9pm to 5am**. Not all work during this time will be noisy.

Airport North Precinct Upgrade

There may be some noise, dust, vibration and disruption associated with this work. Machinery and equipment used may include trucks, excavators, paving machines, rollers, lighting towers, road saws, plate compactors, vacuum trucks, grinders, cranes, elevated work platforms, chainsaws, mulching machines, light vehicles, hand tools, concrete trucks and equipment.

We will continue to make every effort to minimise the impacts to the local community.

If you have any questions about the work on either project, please contact our delivery partner, John Holland Group on **1300 862 844** or comms.airportprecinct@jhq.com.au.

For more information on our projects, visit www.rms.nsw.gov.au/sydneyairport.

Thank you for your patience during this important work.
