

Airport precinct upgrade – Weekly update

Week commencing Sunday 23 June 2019

Airport East project work from Monday 24 June until Friday 28 June 2019 includes:

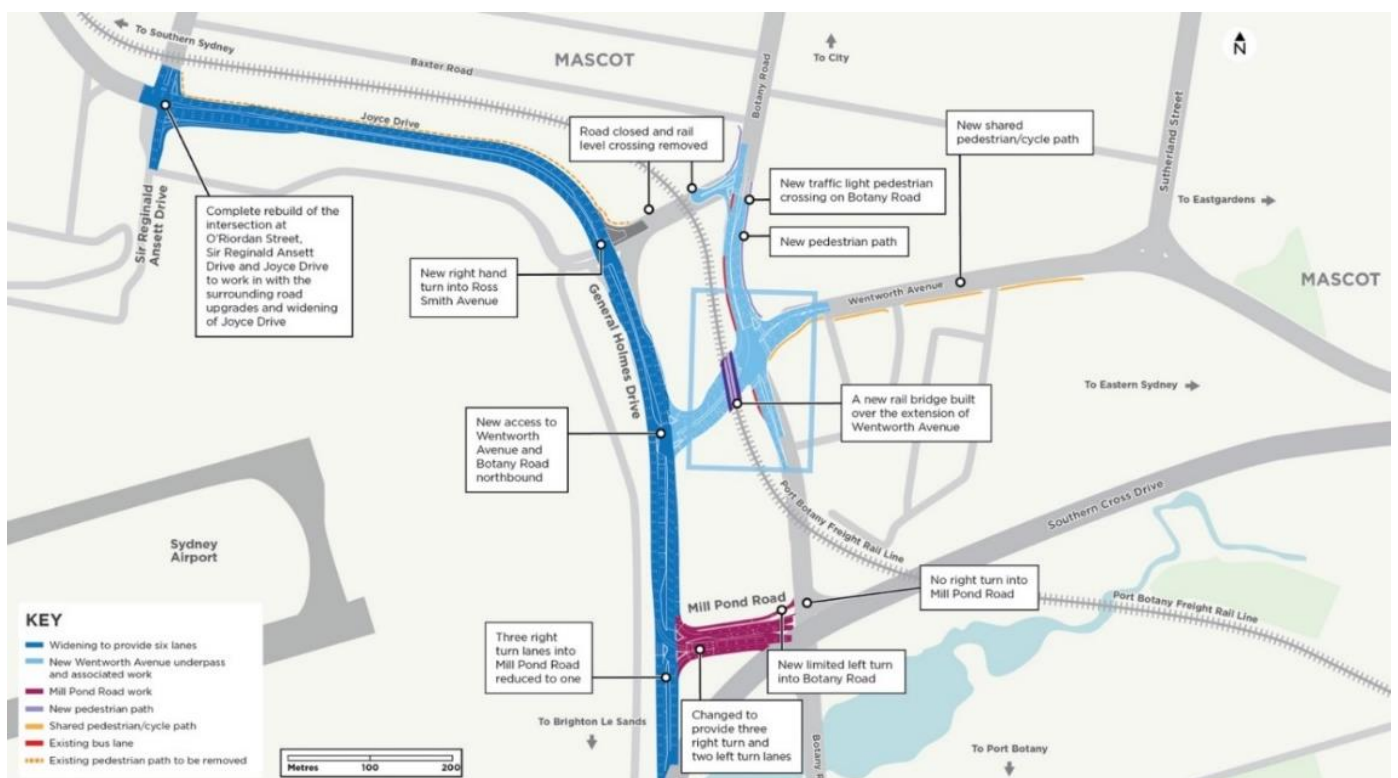

- sign, traffic signal and light pole installation along the project corridor
- road works and asphalt work on General Holmes Drive, Botany Road, Mill Pond Drive and Joyce Drive
- identifying underground utility locations and pavement investigation along Botany Road, Botany Lane, Bronti Street, Mill Pond Drive, Wentworth Avenue, Hardie Street, Beresford Street, General Holmes Drive and Joyce Drive
- footpath and kerb adjustment at the Botany Road end of Bronti Street
- construction work at the new Wentworth Avenue underpass
- operating and monitoring groundwater systems 24/7
- delivery of construction vehicles and equipment to the work areas
- construction work inside the site compound area on Wentworth Avenue and along the work areas on Botany Road and Wentworth Avenue including traffic light adjustment and sign installations
- use of the storage site in Dransfield Avenue.

Work to open the Wentworth Avenue underpass will be carried out on the night of Friday 28 June, weather and traffic conditions permitting. **The underpass will be open to traffic after 4am on Saturday 29 June.** Once the underpass is open the level crossing at General Holmes Drive will close. Access to the Park & Fly will be via Botany Road.

As part of the opening we will also remove four parking spots from Botany Road, south of Hollingshed Street.

Standard construction hours for the **Airport East project** are from **7am to 6pm, Monday to Friday** and **8am to 1pm on Saturday**, excluding public holidays. Out of hours work will include up to **five-night shifts** from **9am to 5am** during this week and extended hours on **Saturday** from **1pm to 6pm** and on **Sunday** between **8am and 6pm**. Not all work during this time will be noisy.

Airport East Precinct Upgrade

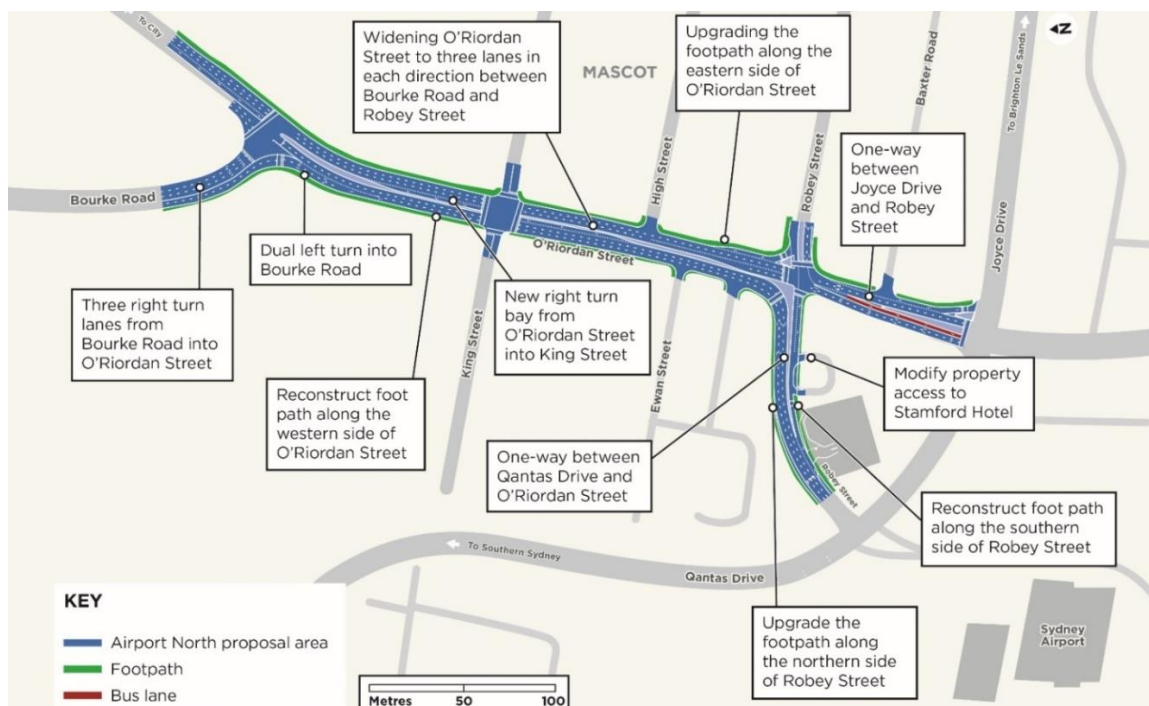

Airport North project work from Sunday 23 June until Thursday 27 June 2019 includes:

- road work, including kerb removal and profiling along O’Riordan Street and Robey Street
- service identification, utility investigation and trenching on O’Riordan Street, Bourke Road, High Street, King Street, Robey Street and Baxter Road. This involves the use of a vacuum truck to safely identify the locations of the underground services
- traffic management and roadwork, including footing installation and temporary traffic changes along O’Riordan Street between Bourke Road and Joyce Drive
- installing environmental controls, including excavation and material removal in work areas along O’Riordan Street
- ongoing pedestrian changes and detours during construction work, please follow direction of signage. This includes the continued closure of the pedestrian footpath on the eastern side of O’Riordan Street between High Street and Baxter Road
- operating and monitoring groundwater systems 24/7
- delivery of construction vehicles and equipment to the work areas
- use of site compounds at 166 and 200 O’Riordan Street for delivery and removal of equipment and materials.

Standard construction hours for the **Airport North project** are from **7am to 6pm, Monday to Friday and 8am to 1pm on Saturday**, excluding public holidays. Out of hours work for this week will include up to **five-night shifts**. Our night working hours are **9pm to 5am**. Not all work during this time will be noisy.

Airport North Precinct Upgrade

There may be some noise, dust, vibration and disruption associated with this work. Machinery and equipment used may include trucks, excavators, paving machines, rollers, lighting towers, road saws, plate compactors, vacuum trucks, grinders, cranes, elevated work platforms, chainsaws, mulching machines, light vehicles, hand tools, concrete trucks and equipment. We will continue to make every effort to minimise the impacts to the local community.

If you have any questions about the work on either project, please contact our delivery partner, John Holland Group on **1300 862 844** or comms.airportprecinct@jhg.com.au.

For more information on our projects, visit www.rms.nsw.gov.au/sydneyairport.

Thank you for your patience during this important work.
