

# Airport precinct upgrade – Weekly update

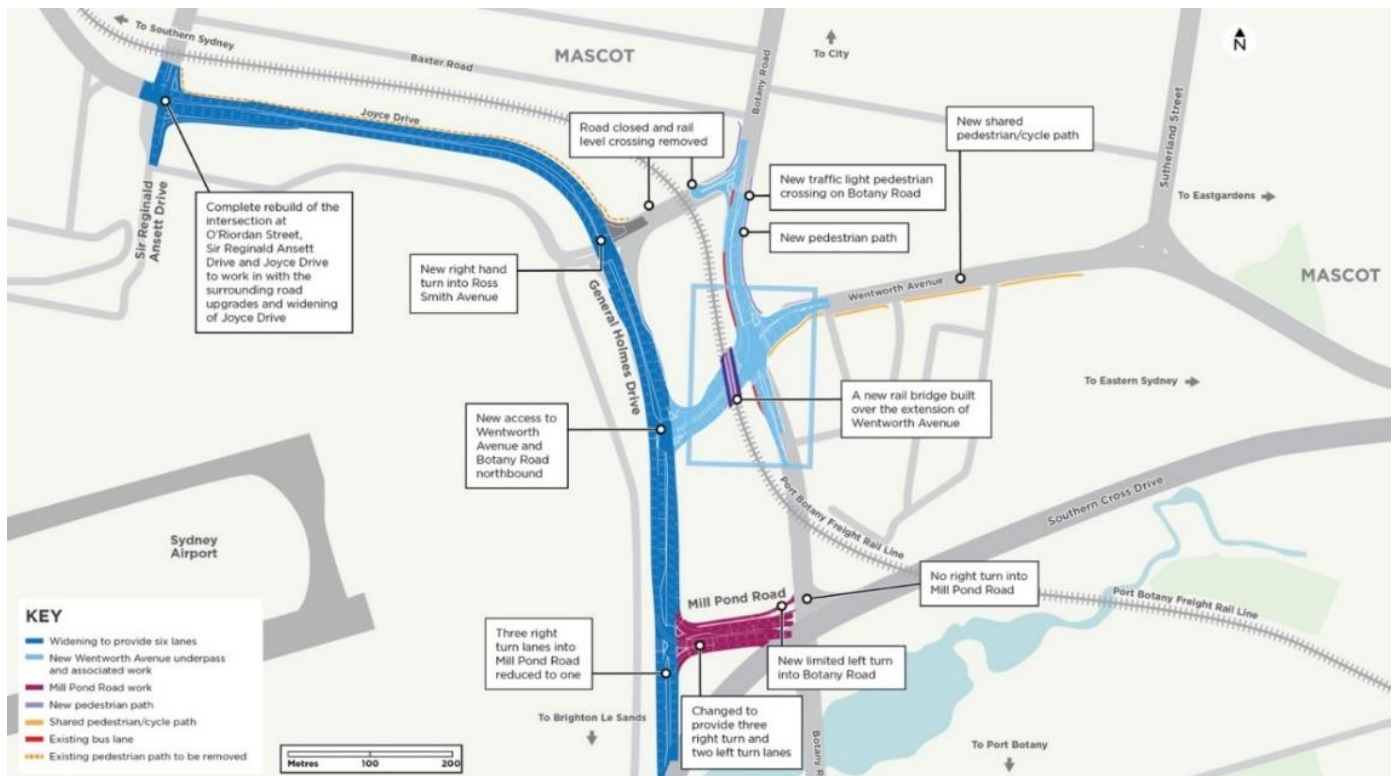

## Week commencing Sunday 14 July 2019

Airport East project work from Sunday 14 July includes:

- Essential utility work during the day on Saturday 20 July and Sunday 21 July 2019. This work will be carried out in the work site between Botany Road and General Holmes Drive, Mascot. Extended hours will be from 1pm to 6pm on Saturday and between 8am and 6pm on Sunday
- operating and monitoring groundwater systems 24/7
- footpath and kerb adjustments
- road work including pavement work near site compound on General Holmes Drive
- service relocations
- construction work inside the site compound area on Wentworth Avenue and General Holmes Drive
- use of the storage site in Dransfield Avenue.

Standard construction hours for the **Airport East project** are from **7am to 6pm, Monday to Friday** and **8am to 1pm on Saturday**, excluding public holidays. Out of hours work will include up to **five-night shifts** from **9am to 5am** during this week. Not all work during this time will be noisy.

### Airport East Precinct Upgrade

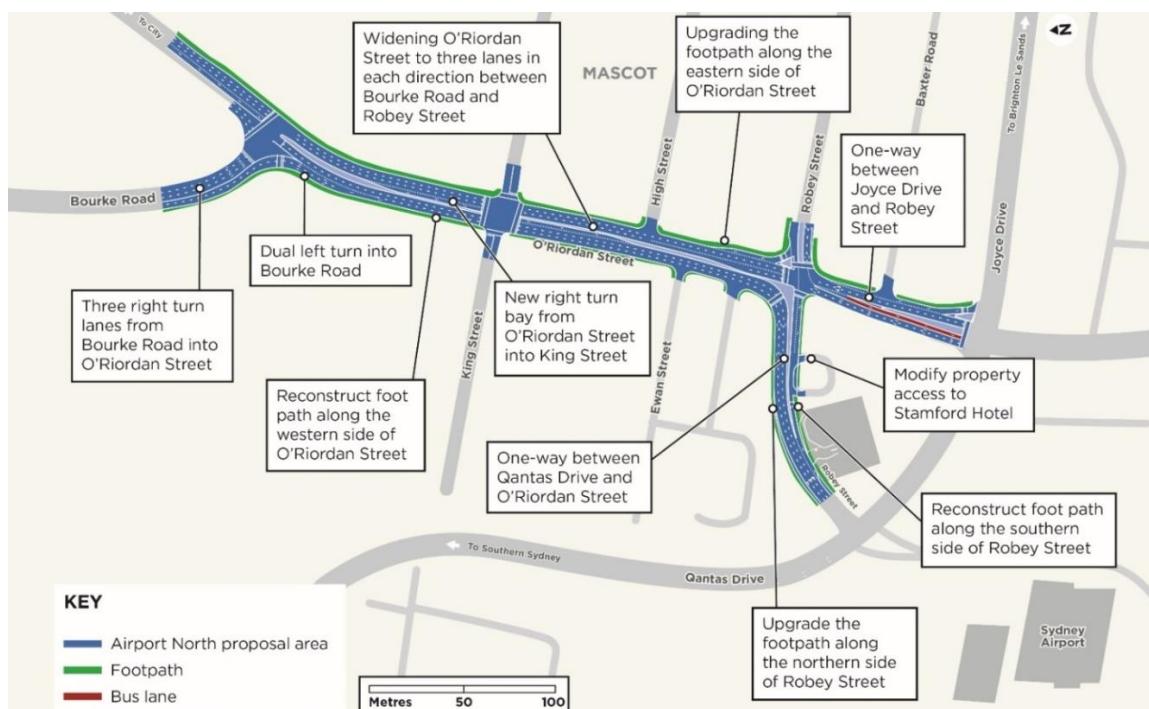

## Airport North project work from Sunday 14 July until Thursday 18 July 2019 includes:

- road work, including kerb removal and profiling along O’Riordan Street and Robey Street
- service identification and trenching on O’Riordan Street, Bourke Road, High Street, King Street, Robey Street and Baxter Road. This involves the use of a vacuum truck to safely identify the locations of the underground services
- traffic management and roadwork, including footing installation and temporary traffic changes along O’Riordan Street between Bourke Road and Joyce Drive
- installing environmental controls, including excavation and material removal in work areas along O’Riordan Street
- ongoing pedestrian changes and detours during construction work, please follow direction of signage. This includes the continued closure of the pedestrian footpath on the eastern side of O’Riordan Street between High Street and Baxter Road
- operating and monitoring groundwater systems 24/7
- delivery of construction vehicles and equipment to the work areas
- use of site compounds at 166 and 200 O’Riordan Street for delivery and removal of equipment and materials.

Standard construction hours for the **Airport North project** are from **7am to 6pm, Monday to Friday and 8am to 1pm on Saturday**, excluding public holidays. Out of hours work for this week will include up to **five-night shifts**. Our night working hours are **9pm to 5am**. Not all work during this time will be noisy.

### Airport North Precinct Upgrade

There may be some noise, dust, vibration and disruption associated with this work. Machinery and equipment used may include trucks, excavators, paving machines, rollers, lighting towers, road saws, plate compactors, vacuum trucks, grinders, cranes, elevated work platforms, chainsaws, mulching machines, light vehicles, hand tools, concrete trucks and equipment. We will continue to make every effort to minimise the impacts to the local community.

**If you have any questions about the work on either project**, please contact our delivery partner, John Holland Group on **1300 862 844** or [comms.airportprecinct@jhg.com.au](mailto:comms.airportprecinct@jhg.com.au).

For more information on our projects, visit [www.rms.nsw.gov.au/sydneyairport](http://www.rms.nsw.gov.au/sydneyairport).

Thank you for your patience during this important work.
