

Airport precinct upgrade – Weekly update

Week commencing Sunday 18 August 2019

The project team is considering moving to monthly construction updates instead of weekly starting from the month of September. If you have any concerns about this change please get in touch with us. We will send out the Weekly Update on the first Friday of each month

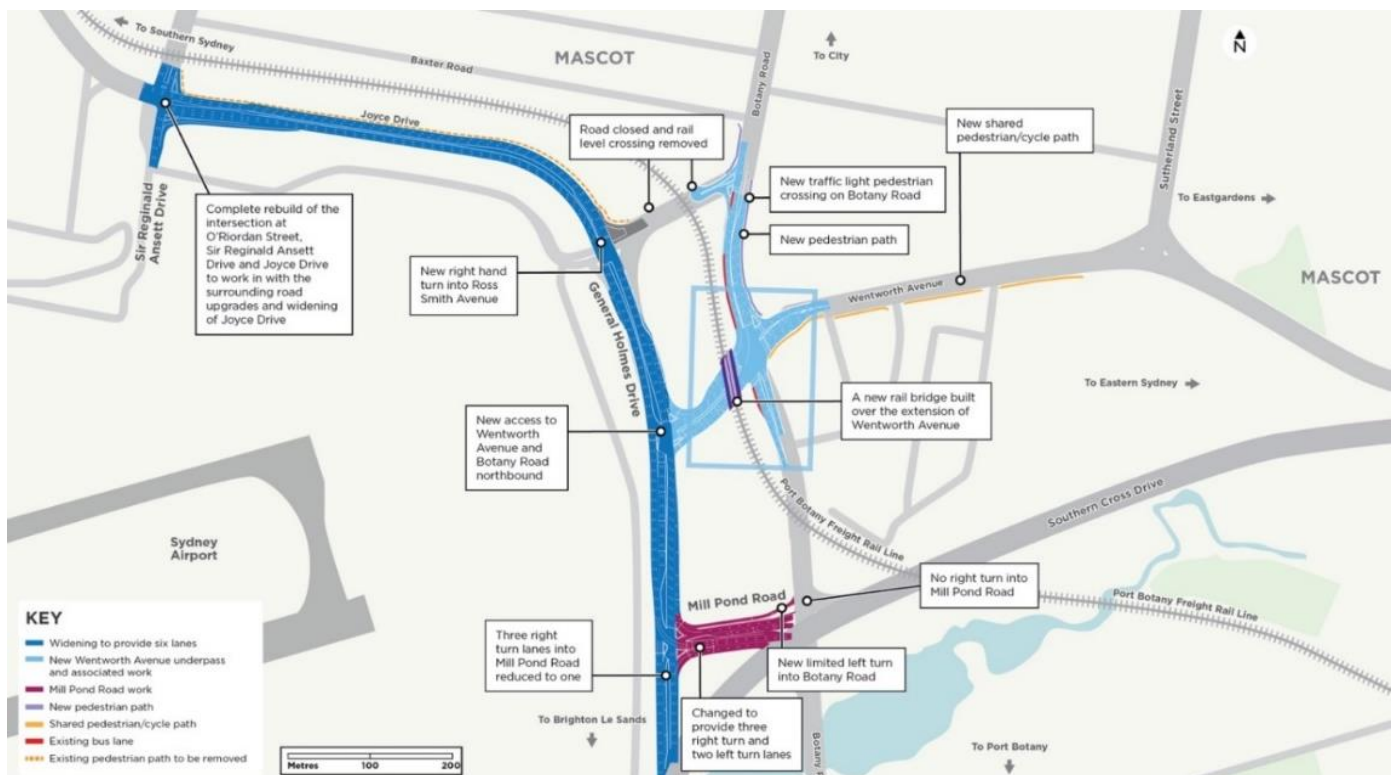

Airport East project work from Sunday 18 August until Thursday 22 August 2019

We are in our final stages of the project with paving, utility and signal installation taking place this week. The work includes:

- road works including milling, saw cutting, rock hammering and asphalt work on General Holmes Drive, Botany Road, Wentworth Avenue, Mill Pond Drive and Joyce Drive
- identifying underground utility locations and pavement investigation along Botany Road, Botany Lane, Bronti Street, Mill Pond Drive, Wentworth Avenue, Hardie Street, Beresford Street, General Holmes Drive and Joyce Drive
- construction work inside the site compound area on Wentworth Avenue and along the work areas on Botany Road and Wentworth Avenue including traffic light adjustment and sign installations
- footpath and kerb adjustment along Botany Road
- construction work at the new Wentworth Avenue underpass
- installing traffic signal, kerb and concrete median along the project corridor
- delivery of construction vehicles and equipment to the work areas
- use of the storage site in Dransfield Avenue.

Standard construction hours for the **Airport East project** are from **7am to 6pm, Monday to Friday** and **8am to 1pm on Saturday**, excluding public holidays. Out of hours work will include up to **five-night shifts** from **9pm to 5am** during this week. Not all work during this time will be noisy.

Airport East Precinct Upgrade

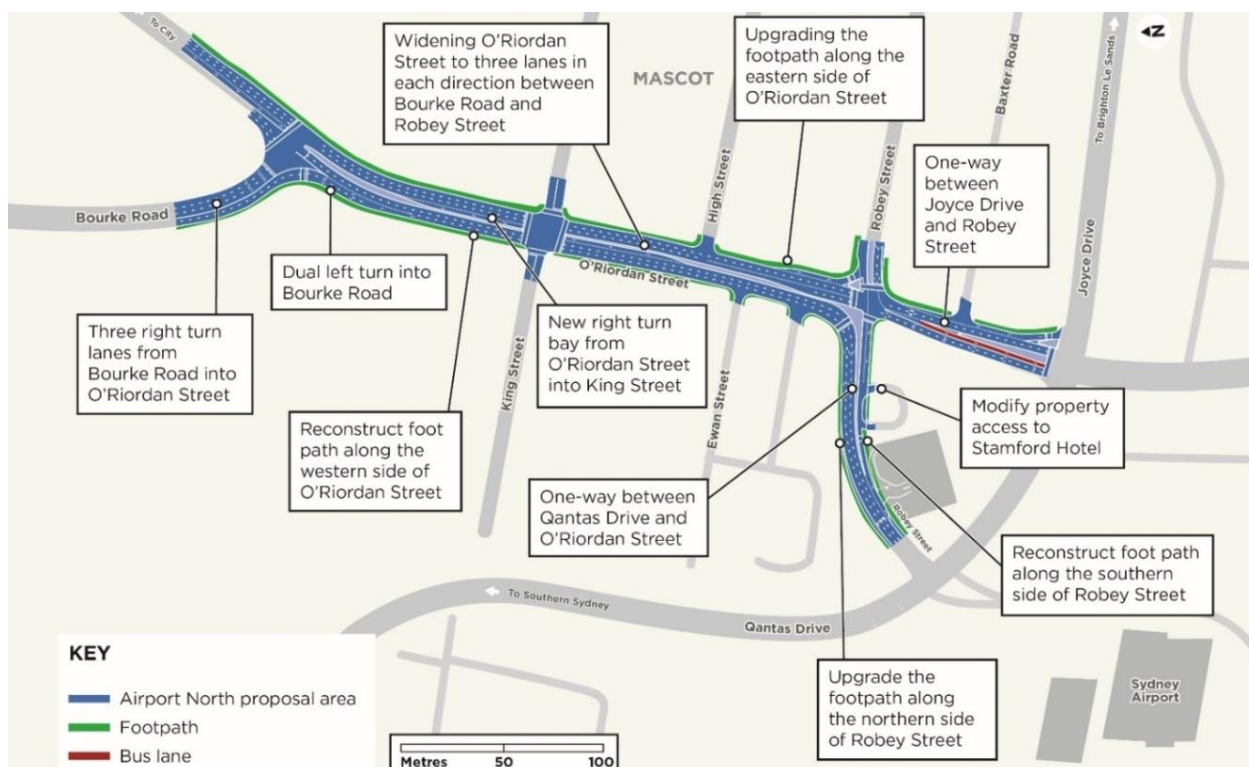

Airport North project work from Sunday 18 August until Thursday 22 August 2019

Work is continuing to progress well on this important project. The work for this week includes:

- road works including kerb removal and profiling along O’Riordan Street and Robey Street
- kerb installation and driveway works on Robey Street
- identifying services and trenching on O’Riordan Street, Bourke Road, High Street, King Street, Robey Street and Baxter Road. This involves the use of a vacuum truck to safely identify the locations of the underground services
- relocating services including stormwater and watermains
- traffic management and roadwork including footing installation and temporary traffic changes along O’Riordan Street between Bourke Road and Joyce Drive
- installing environmental controls including excavation and material removal along O’Riordan Street
- ongoing pedestrian changes and detours during construction work, please follow direction of signage. This includes the continued closure of the pedestrian footpath on the eastern side of O’Riordan Street between High Street and Baxter Road
- operating and monitoring groundwater dewatering systems 24/7
- delivery of construction vehicles and equipment to the work areas
- use of site compounds at 166 and 200 O’Riordan Street for delivery and removal of equipment and materials.

Standard construction hours for the **Airport North project** are from **7am to 6pm, Monday to Friday and 8am to 1pm on Saturday**, excluding public holidays. Out of hours work for this week will include up to **five-night shifts**. Our night working hours are **9pm to 5am**. Not all work during this time will be noisy.

Airport North Precinct Upgrade

There may be some noise, dust, vibration and disruption associated with this work. Machinery and equipment used may include trucks, excavators, paving machines, rollers, lighting towers, road saws, plate compactors, vacuum trucks, grinders, cranes, elevated work platforms, chainsaws, mulching machines, light vehicles, hand tools, concrete trucks and equipment. We will continue to make every effort to minimise the impacts to the local community.

If you have any questions about the work on either project, please contact our delivery partner, John Holland Group on **1300 862 844** or comms.airportprecinct@jhg.com.au.

For more information on our projects, visit www.rms.nsw.gov.au/sydneyairport.

Thank you for your patience during this important work.
