Standard construction hours for the **Airport East project** are from **7am to 6pm, Monday to Friday** and **8am to 1pm on Saturday**, excluding public holidays. Out of hours work will include up to **five-night shifts** during the week and extended hours on Saturday. Our night working hours are **9pm to 5am**. Not all work during this time will be noisy.

Airport East Precinct Upgrade

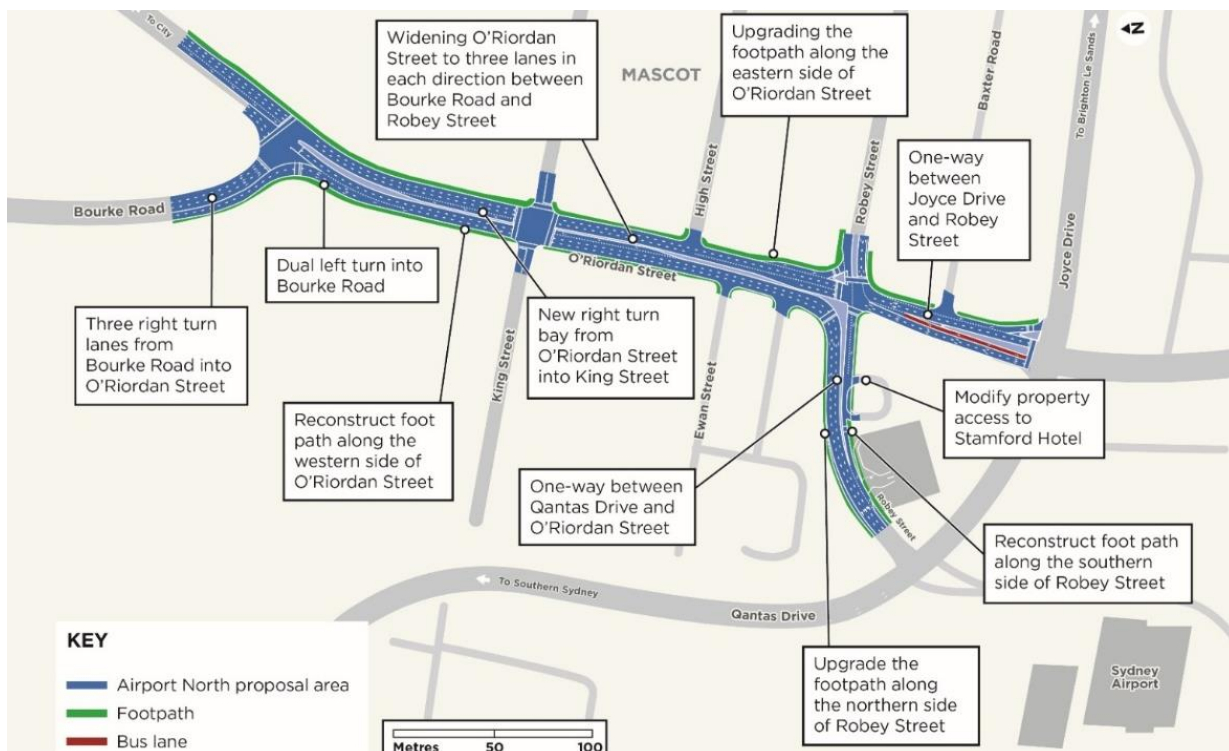

Airport North project work includes:

- traffic management and roadwork, including line marking and line removal, sign and traffic barrier installation and temporary traffic changes along O’Riordan Street between Bourke Road and Joyce Drive
- the pedestrian footpath is closed on the eastern side of O’Riordan Street between High Street and Baxter Road – pedestrian diversions are in place.
- service identification in O’Riordan Street, Bourke Road, High Street, King Street, Robey Street and Baxter Road. This involves the use of a vacuum truck to safely identify the locations of the underground services
- service relocation, including trenching and stormwater work and along O’Riordan Street near Bourke Road
- road crossing, including trenching along O’Riordan Street near King Street and High Street
- traffic light adjustment, signage and barriers installation, including road crossing, stormwater work and drainage installation along O’Riordan Street and Robey Street
- service relocation, including trenching between Robey Street and Baxter Road
- roadwork and traffic changes on O’Riordan Street southbound from High Street to Joyce Drive. Please follow the directional signage and obey road work speed limits
- ongoing pedestrian changes and detours during construction work, please follow direction of signage
- removal of tree stumps and topsoil, including excavation and material removal in work areas along O’Riordan Street
- installation of environmental controls
- use of site compounds at 166 and 200 O’Riordan Street for delivery and removal of equipment and materials
- delivery of construction vehicles and equipment to the work areas

Standard construction hours for the **Airport North project** are from **7am to 6pm, Monday to Friday and 8am to 1pm on Saturday**, excluding public holidays. Out of hours work will include up to **five-night shifts** during the week, our night working hours are **9pm to 5am**. Not all work during this time will be noisy.

Airport North Precinct Upgrade

There may be some noise, dust, vibration and disruption associated with this work. Machinery and equipment used may include trucks, excavators, paving machines, rollers, lighting towers, road saws, plate compactors, vacuum trucks, grinders, cranes, elevated work platforms, chainsaws, mulching machines, light vehicles, hand tools, concrete trucks and equipment.

We will continue to make every effort to minimise the impacts to the local community.

If you have any questions about the work on either project, please contact our delivery partner, John Holland Group on **1300 862 844** or comms.airportprecinct@jhg.com.au.

For more information on our projects, visit www.rms.nsw.gov.au/sydneyairport.

Thank you for your patience during this important work.
