BUILDING OUR FUTURE

September 2015

Project update for Airport East precinct – WestConnex Enabling works

The Australian and NSW Governments are planning to upgrade roads in the Airport East precinct to improve traffic flow and access to Sydney airport, Port Botany and in the future the WestConnex Motorway.

Roads and Maritime Services is preparing to upgrade General Holmes Drive between Mill Pond Road and Botany Road, Wentworth Avenue, Joyce Drive and Mill Pond Road, which will ease traffic congestion and improve safety in the Airport East precinct.

The upgrade will support expected traffic increases due to the expected population growth in Sydney as well as improve road safety and provide better access for cyclists and pedestrians. The proposal includes:

- Closing the General Holmes Drive rail level crossing and replacing it with a road underpass by extending Wentworth Avenue to intersect with General Holmes Drive
- Widening Joyce Drive and General Holmes Drive to three lanes in both directions
- Providing a new shared path to improve connections for pedestrians and cyclists at Todd Reserve on Wentworth Avenue, Botany Road from the Botany Road and Wentworth Avenue intersection to Baxter Road.

Roads and Maritime sought comments from the community and stakeholders on the Review of Environmental Factors in February and March 2015. We received feedback from 11 people and organisations. We would like to thank everyone who took the time to consider our proposal and provide feedback.

Following a review of the comments, we have prepared a Submissions Report and obtained planning approval for the project. A copy of this report is available at rms.nsw.gov.au/projects or by contacting the Project Team on 1300 862 844 or AirportEast@rms.nsw.gov.au

What happens next?

We have proceeded with detailed design of the upgrade. The acquisition area has now been finalised and Roads and Maritime have contacted the individual property owners. We will continue to inform the community as this project progresses.

Contact

If you have any questions, please call our Project Manager Joe Che on 1300 862 844 or email airporteast@rms.nsw.gov.au. For more information on our projects, visit rms.nsw.gov.au

Thank you for your patience during this important work.

Translating and Interpreting Service

If you need an interpreter, please call the Translating and Interpreting Service (TIS National) on **131 450** and ask them to telephone Roads and Maritime Services on 1300 862 844

Arabic
