

Project update for Airport North precinct

The NSW Government is planning to upgrade roads north of Sydney's Kingsford Smith Airport to improve traffic flow and connections to the Airport and Port Botany. This includes widening O'Riordan Street to three lanes in each direction between Bourke Road and Robey Street.

Roads and Maritime prepared a Review of Environmental Factors (REF) to examine the potential impacts of the proposal and outline measures to reduce and manage these impacts. The REF was displayed for community and stakeholder comment from 20 May until 10 June 2016.

We received a total of nine submissions in response to the display of the REF. This included submissions from one government agency, Sydney Water Corporation (SWC), Sydney Airport Corporation Ltd, and seven from members of the community.

Following a review of the comments, we have prepared a Submissions Report. A copy of this report is available at rms.nsw.gov.au/airportnorth or by contacting the Project Team on 1300 852 557 or airportnorth@rms.nsw.gov.au.

We would like to thank everyone who took the time to consider our proposal and provide feedback.

What happens next?

We will now proceed with detailed design of the upgrade. We will continue to inform the community as this project progresses.

Contact

If you have any questions, please contact our project team on 1300 852 557 or email airportnorth@rms.nsw.gov.au. For more information on our projects, visit rms.nsw.gov.au.

Thank you for your patience during this important work.
