

Night work on O’Riordan Street, Mascot, from Sunday 26 February 2017

The NSW Government is preparing to upgrade roads north of Sydney’s Kingsford Smith Airport to improve traffic flow and connections to and from the airport and Port Botany.

Roads and Maritime Services will carry out further investigation work to confirm the location of existing utilities. This work will include using high pressure water to produce small holes and digging several small trenches to check for the existence of any unknown utilities. This work is a continuation of the investigation undertaken in November and December 2016 and January 2017.

The investigation work will be carried out on O’Riordan Street and adjoining side roads, between Qantas Drive and Bourke Road. The information gathered from this investigation will help us develop the detailed design for the Airport North project.

We will carry out a maximum of **four** shifts between **Sunday 26 February** and **Thursday 2 March 2017**, weather permitting. Our working hours will be from **7pm** to **6am**.

How will the work affect you?

There may be some noise associated with this work. We will make every effort to minimise noise by arranging the work at different locations.

Traffic changes

There will be some temporary traffic changes to ensure the work zone is safe.

Lane closures will be in place and may affect travel times. Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, please call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions, please contact our Project Manager Dean Gregory on 1300 852 557 or airportnorth@rms.nsw.gov.au. For more information on our projects, visit rms.nsw.gov.au.

Thank you for your patience during this important work.
