

## Night work on O’Riordan Street, Mascot from Monday 28 November

### The NSW Government is preparing to upgrade roads north of Sydney’s Kingsford Smith Airport to improve traffic flow and connections to and from the Airport and Port Botany.

Roads and Maritime Services will carry out investigation work to confirm the location of existing utilities. This work will include using high pressure water to produce small holes, and digging several small trenches to check for the existence of any unknown utilities.

The investigation work will be carried out on O’Riordan Street, between Qantas Drive and Bourke Road. The information gathered from this investigation will help us develop the detailed design for the Airport North project.

We will carry out **13** shifts from **Monday 28 November** to **Friday 16 December 2016**, weather permitting. Our working hours will be from **7pm** to **6am**, excluding Friday and Saturday evenings.

#### How will the work affect you?

There will be some noise associated with this work. We will make every effort to minimise noise by arranging the work at different locations.

#### Traffic changes

There will be some temporary traffic changes to ensure the work zone is safe.

Lane closures will be in place and may affect travel times. Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App.

#### Contact

If you have any questions, please call our Project Manager Dean Gregory on 1300 852 557 or email [airportnorth@rms.nsw.gov.au](mailto:airportnorth@rms.nsw.gov.au). For more information on our projects, visit [rms.nsw.gov.au](http://rms.nsw.gov.au).

Thank you for your patience during this important work.
