

Night work on Joyce Drive and Sir Reginald Ansett Drive, Mascot, from Tuesday 13 June

The NSW Government is preparing to upgrade roads north of Sydney's Kingsford Smith Airport to improve traffic flow and connections to and from the Airport and Port Botany.

Roads and Maritime Services will carry out further investigation work to confirm the location of existing utilities. This work will include using high pressure water to produce small holes, and digging several small trenches to check for the existence of any unknown utilities. This work is a continuation of recent investigation work carried out around O'Riordan Street. The information gathered from this investigation will help us to continue to develop the detailed design for the Airport North project.

The investigation work will be carried out on Joyce Drive, between Sir Reginald Ansett Drive and General Holmes Drive, and on Sir Reginald Ansett Drive. We have included a map below to show the location of the work.

We will carry out a maximum of **ten** night shifts between **Tuesday 13 June** and **Monday 26 June 2017**, weather permitting. Our working hours will be from **10pm** to **5am**.

How will the work affect you?

There may be some noise associated with this work. We will make every effort to minimise noise by arranging the work at different locations.

Traffic changes

There will be some temporary traffic changes to ensure the work zone is safe.

Lane closures will be in place and may affect travel times. Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions, please contact our Project Manager Dean Gregory on 1300 852 557 or airportnorth@rms.nsw.gov.au. For more information on our projects, visit rms.nsw.gov.au.

Thank you for your patience during this important work.
