

## Transport for NSW

# Sydney Harbour Bridge closure for special event – Sunday 22 January 2023

Changed traffic and parking conditions | Transport for NSW | January 2023

### Road impacts

The **Sydney Harbour Bridge** will be closed in both directions from **3am to 10am** on **Sunday 22 January 2023** to facilitate filming.

The Cahill Expressway Circular Quay Overpass will also be closed in both directions from **1am to 12.30pm** on **Sunday 22 January 2023**.

The Sydney Harbour Bridge cycleway and footpath will be closed from 5.30am to 10am. The Cahill Expressway walkway will be closed from 2.30am to 12.30pm.

Roads beneath the Sydney Harbour Bridge in Dawes Point and Milsons Point/Kirribilli, including sections of Hickson Rd and Olympic Dr will be closed from 5.30am to 10am with managed access when safe to do so.

*See map overleaf for more information.*

### Detours:

While the Harbour Bridge is closed motorists will be diverted via the Sydney Harbour Tunnel, delays are expected so allow extra time or avoid travel until after 10am.

Citybound traffic from the Anzac Bridge will be detoured via Bathurst St off-ramp and all traffic accessing the Western Distributor from Fig St and Pyrmont St will be detoured via the King St off-ramp.

Southbound traffic on the Cahill Expressway between 1am and 3am, and between 10am and 12.30pm will be diverted via York St in the CBD – motorists can join the Eastern Distributor via Shakespeare Place. Northbound traffic can access the Harbour Bridge via Macquarie St, Bridge St and Grosvenor St.

Buses will also be terminating either side of the bridge in the city and North Sydney from 3am to 10am. Trains continue to run across the bridge.

### Parking changes

Special event clearway parking restrictions will be in effect from 3am to 10am on key roads in North Sydney and from 6am to 10am in the Sydney CBD to accommodate traffic on detour routes.

Check signs carefully before parking. Clearways are strict no-parking zones for all vehicle types including those with local and businesses parking permits or TfNSW Mobility Scheme permit holders. If your vehicle is towed call 132 701 to speak to an operator.

### What to expect

A helicopter will be in use over and adjacent to the Harbour Bridge between North Sydney and the City between approximately 5:30am and 10am. Increased ambient noise will be experienced around the flight paths when in operation. During the helicopter's operation, a Maritime exclusion zone will be in place on both sides and under the Harbour Bridge within Sydney Harbour.

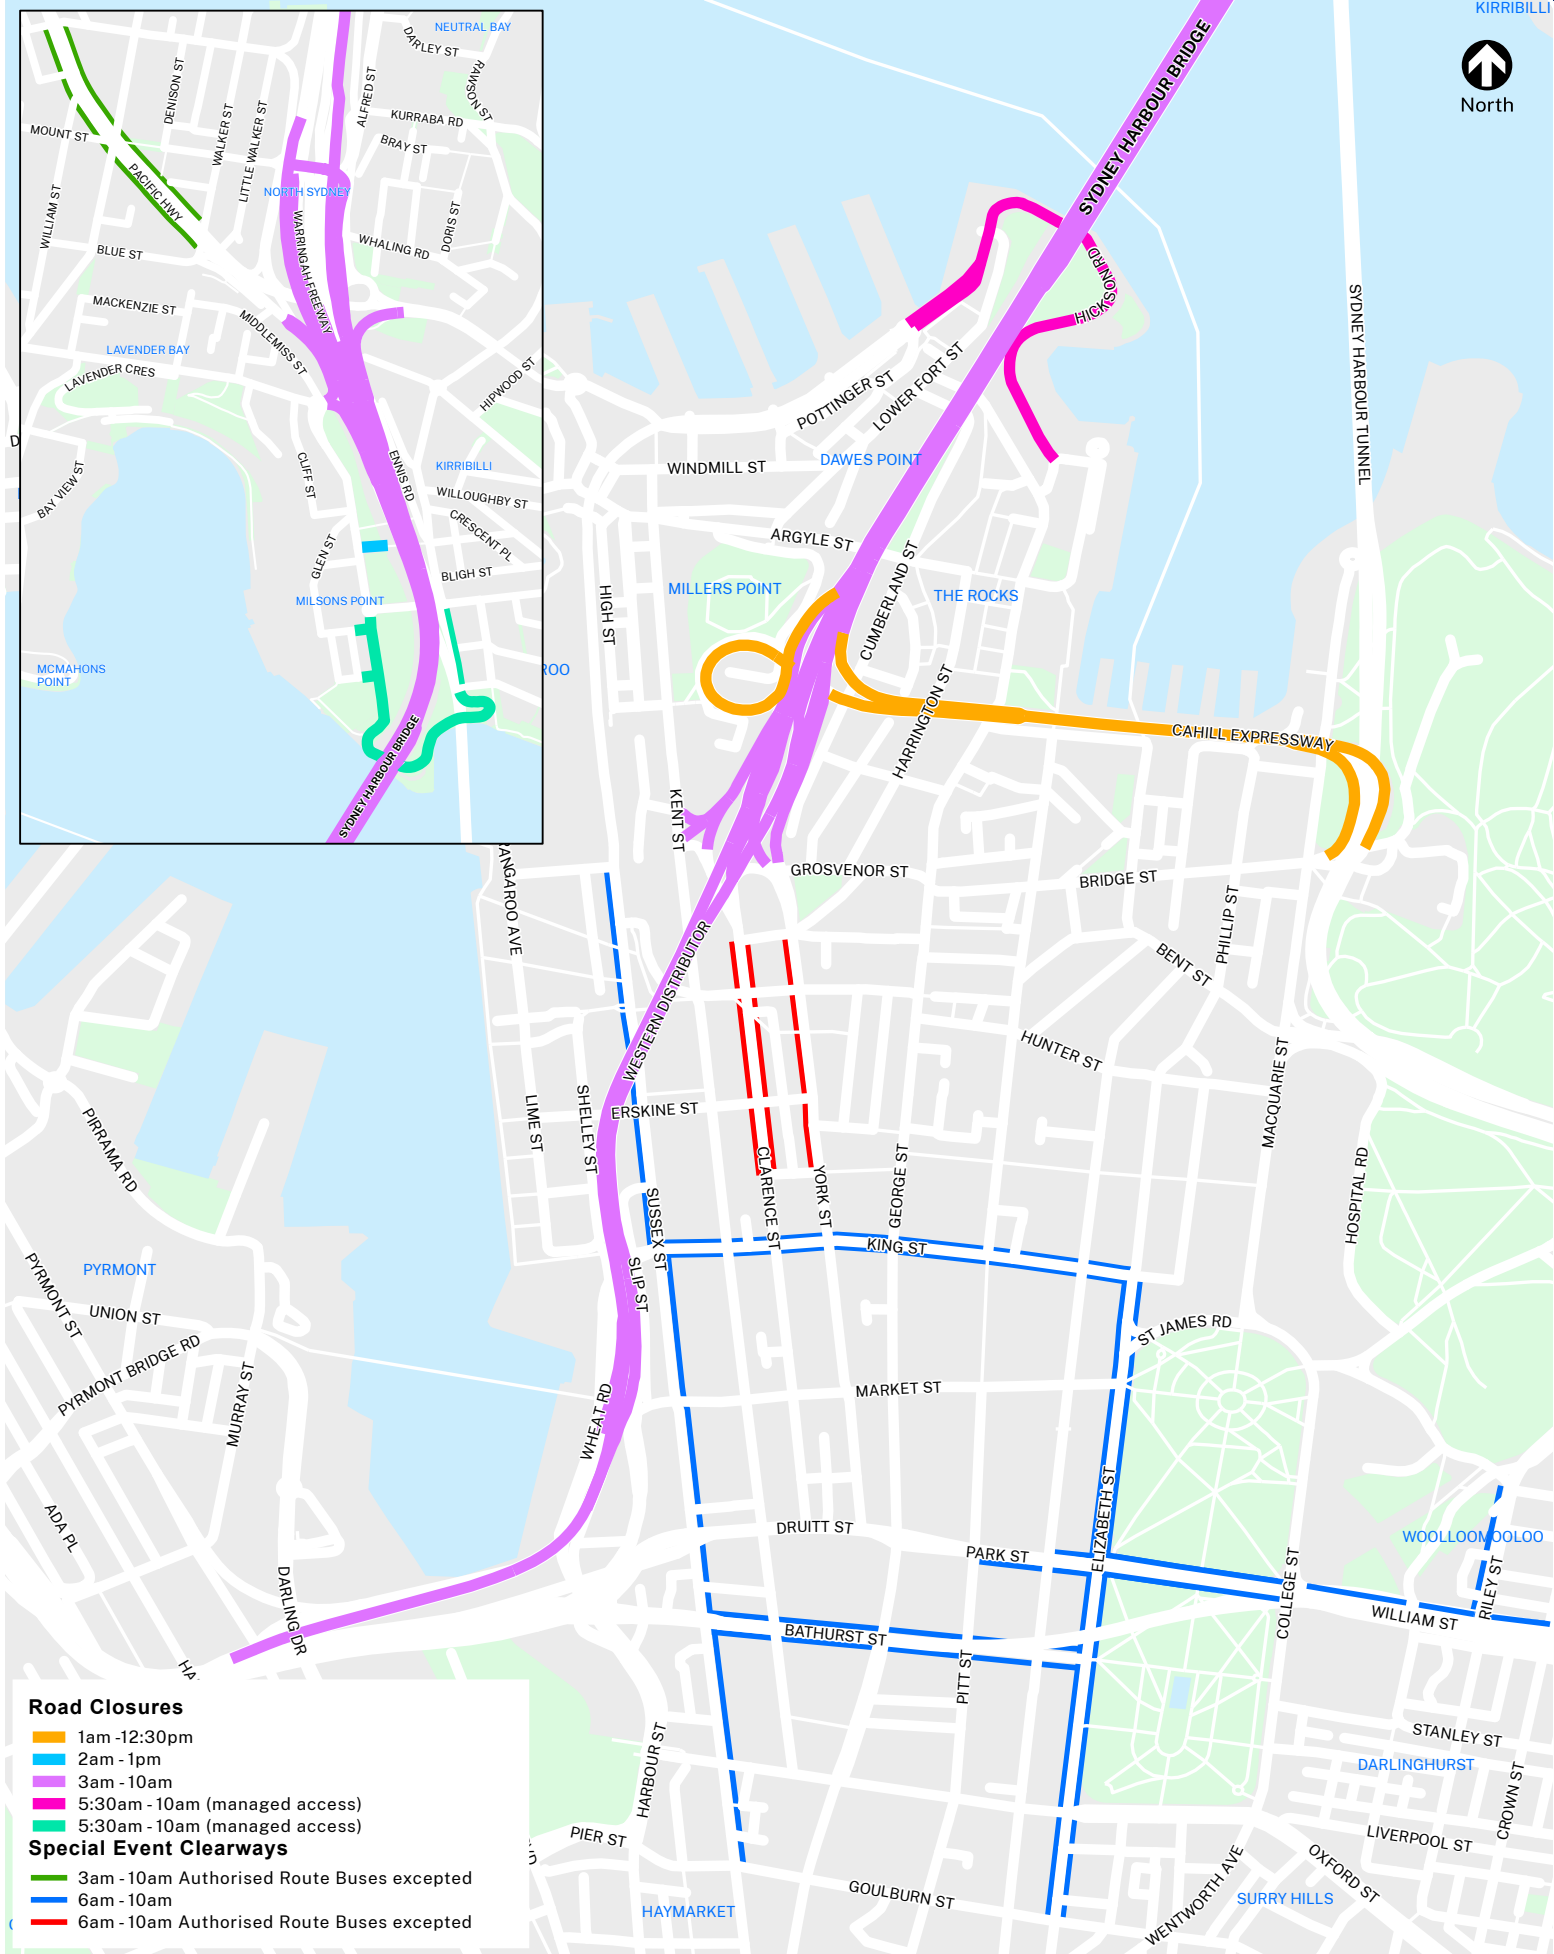

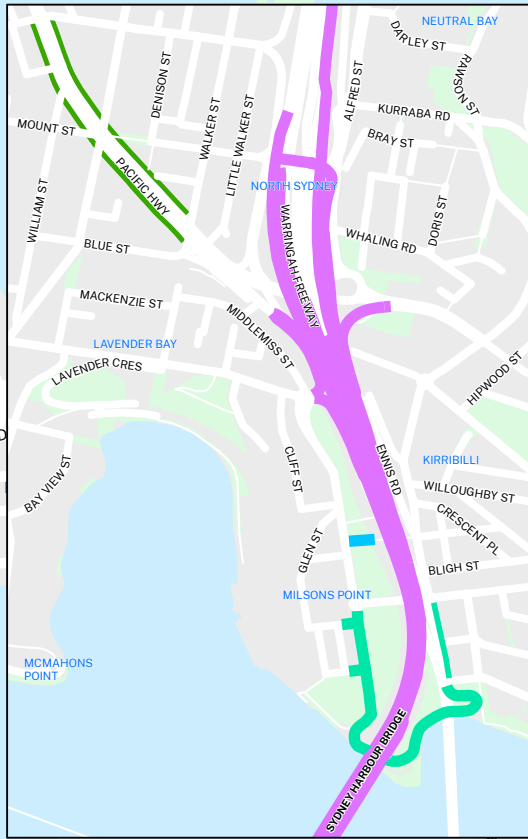

These closures and exclusion zones involved extensive consultation and approvals from multiple NSW Government authorities and agencies.

### Contact

**1X** For enquiries about this filming activity, contact the production team:

David Watts & Phillip Roope
