

July 2016

The Horsley Drive Upgrade – Announcement of Preferred Corridor

The NSW Government is funding the planning work of this proposed upgrade to help meet the future transport needs of the area.

Upgrades to The Horsley Drive would provide an improved east-west connection from the Western Sydney Employment Area and the M7 Motorway to the Smithfield Wetherill Park Industrial Area. The proposed upgrade would include:

- Widening The Horsley Drive between the M7 Motorway and Cowpasture Road to four lanes with two lanes in each direction and a wide median to allow for six lanes in the future
- Upgrading The Horsley Drive eastern approach at the Wallgrove Road intersection
- Reserving two corridors of land for future upgrade work
- Improving pedestrian and cyclist paths.

In August and September 2015, Roads and Maritime Services sought comments from the community and stakeholders on the preferred corridor. We would like to thank everyone who took the time to consider our proposal and provided feedback.

Following a review of the comments, we have prepared a Community Consultation Report which summarises the feedback and our responses. A copy of this report is available at www.rms.nsw.gov.au/projects. Alternatively you can contact the project team on 1800 685 212 or email horsleydriveupgrade@rms.nsw.gov.au.

What happens next?

Following a review of the comments, we have decided to proceed with planning for the preferred corridor (see map on the back of this letter). The comments made by the community will be considered during development of the concept design. We will continue planning and field investigation work to inform the concept design and Review of Environmental Factors, which will be displayed for community consultation.

Following planning approval and subject to funding availability, Roads and Maritime will undertake detailed design and construction.

Contact

If you have any questions, please call the project team on 1800 685 212 or email horsleydriveupgrade@rms.nsw.gov.au

Thank you for your contribution to this important project.
