

## Change of date:

# Upcoming changes on The Northern Road, closure of Smith Street west from Friday 24 July

The Australian and NSW Governments are jointly funding this work as part of the \$1.6 billion upgrade of The Northern Road between Narellan and South Penrith

Transport for NSW is continuing work along The Northern Road between Glenmore Park and South Penrith. As part of this work, we will be temporarily closing a small section of Smith Street to the west of The Northern Road from **Friday 24 July**, for around six weeks. This will enable us to upgrade the road at this intersection.

## Location, date and time of work

To minimise impact on road users during our work, we will close Smith Street west from **9:30am Friday 24 July**, weather permitting for around six weeks. During the closure, work will be carried out during our standard construction hours from **7am to 5pm**. We will notify you in advance if we need to work outside these hours.

## How will the work affect you?

During our work, every effort will be made to minimise the impacts on residents and businesses by:

- using non-tonal reversing beepers on machinery
- turning off equipment and vehicles when not in use
- using lighting towers only when necessary
- directing noise generating equipment away from resident properties where possible

The work is planned to take place during standard daytime construction hours. Directly impacted residents will be contacted prior to work commencing.

## Plant and equipment

The project team will use heavy and light vehicles, lighting towers, and power and hand tools.

## Traffic changes

Temporary traffic changes will be in place to ensure the work zone is safe for workers and motorists. There will be no access to Smith Street west from The Northern Road during this period. Upon completion of this work, Smith Street west will revert back to left in and left out only.

Detours will be in place via Maxwell Street, Fragar Road and Jamison Road. Access to and from the eastern side of Smith Street will remain left in and left out only. Detour signs will also be in place to direct road users through these changes.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App.

## Contact

If you have any questions or complaints, please contact our delivery partner Lendlease on 1800 870 665 or [TNR.community@lendlease.com](mailto:TNR.community@lendlease.com). Thank you for your patience as we carry out this work.
