**BUILDING OUR FUTURE**

January 2022

## Road closure at Glenmore Parkway and The Northern Road intersection

Transport for New South Wales is finalising work along The Northern Road between Glenmore Park and South Penrith. As part of these works, there will be traffic changes on Glenmore Parkway at The Northern Road intersection.

### What are we doing?

We will be temporarily closing a section of Glenmore Parkway between the intersection of The Northern Road and Glengarry Drive to carry out maintenance work.

For the safety of road users and workers the closures will take place at night on **Monday 10 January and Tuesday 11 January from 8pm to 5am**, and **Friday 21 January from 8pm to 8am**, weather permitting.

Should the work not proceed as listed above, Glenmore Parkway will be closed from 8pm to 5am on Wednesday 12 January, Friday 14 January and Monday 24 January 2022 to carry out the work.

### Traffic Closures

There will be no access to Glenmore Park from The Northern Road during the closure. Please view the map overleaf for work locations and detours.

Access to Glenmore Park will be via Garswood Road, St Andrews Drive, Glengarry Drive and Bradley Street.

Traffic control and electronic signage will be in place to assist road users and pedestrians.

### How this work will affect you?

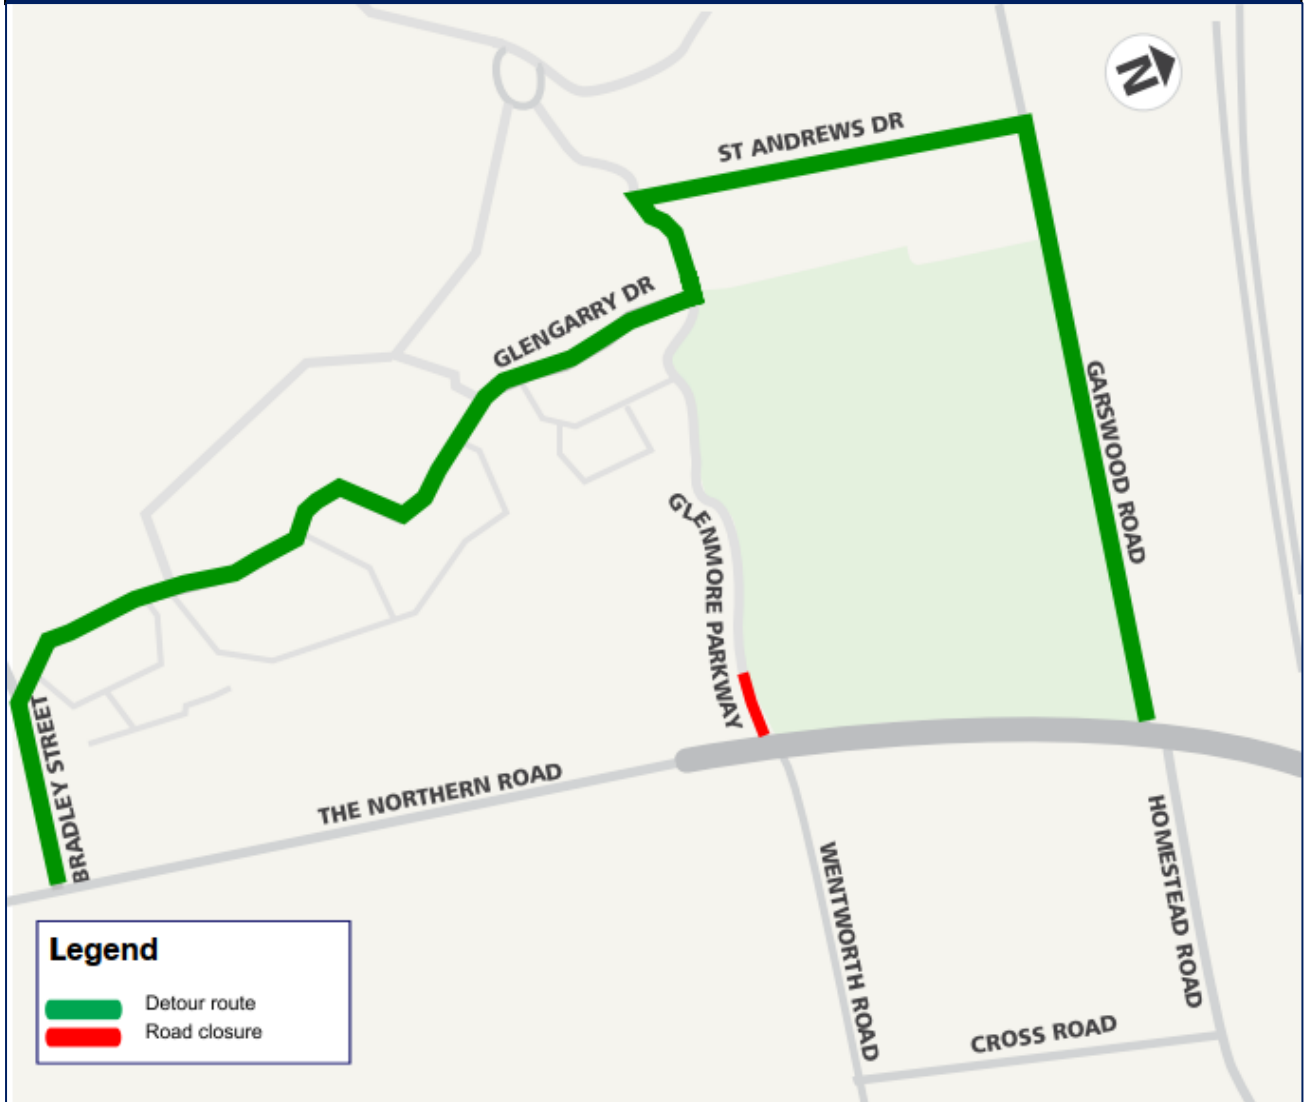

During our work, every effort will be made to minimise the impacts to the community by:

- using non-tonal reversing beepers on machinery
- turning off equipment and vehicles when not in use
- using lighting towers
- directing noise generating equipment away from properties.

### What equipment will be using?

Construction machinery, light and heavy vehicles, lighting towers, power and hand tools.

## Road closure at Glenmore Parkway and The Northern Road intersection

### COVID Safe

These works are in line with the current Public Health Orders and a COVIDSafe Plan is in place, including the use of QR codes.
