

## Extended closure of Frogmore Road from Monday 27 April

The Australian and NSW Governments are jointly funding this work as part of the \$1.6 billion upgrade of The Northern Road between Narellan and South Penrith

Transport for NSW is extending the closure of Frogmore Road between The Northern Road and Simeon Road for an additional four weeks between **Monday 27 April** and **Monday 25 May**, weather permitting. This will allow us to progress with essential road building work, including the new roundabout outside Penrith Christian School.

## Location, date and time of work

The work is planned to take place during the day, however night work may be needed. Directly impacted residents will be notified in advance if they are affected by night work.

If needed, our night work hours will be from **9pm** to **5am** weekdays and **9pm** to **9am** on weekends.

## How will the work affect you?

During our work, every effort will be made to minimise the impacts on residents and businesses by:

- using non-tonal reversing beepers on machinery
- turning off equipment and vehicles when not in use
- using lighting towers only when necessary
- directing noise generating equipment away from resident properties where possible.

## Plant and equipment

The project team will use heavy and light vehicles, lighting towers, and power and hand tools.

## Traffic changes

Temporary traffic changes will be in place to ensure the work zone is safe for workers and motorists. Detours will be in place during the road closures to access The Northern Road via Kingswood Road, Caddens Road and Bringelly Road. The Northern Road will not be closed during this period.

Electronic message signs will also be in place to direct road users through these changes.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App.

## Contact

If you have any questions or complaints, please contact our delivery partner Lendlease on 1800 870 665 or [TNR.community@lendlease.com](mailto:TNR.community@lendlease.com). Thank you for your patience as we carry out this work.
