

Night work and traffic changes on The Northern Road and Maxwell Street intersection, South Penrith from Friday 17 April

The Australian and NSW Governments are jointly funding this work as part of the \$1.6 billion upgrade of The Northern Road between Narellan and South Penrith

Transport for New South Wales is continuing work along The Northern Road between Glenmore Park and South Penrith. As part of this work, we will be closing The Northern Road and Maxwell Street intersection to install electrical utilities and drainage.

Map showing work location and road closures

Location, date and time of work

Access to and from Maxwell Street via The Northern Road will be temporarily closed at night between **Friday 17** and **Saturday 18 April 2020**, weather permitting.

Our work hours will be from **9pm** to **9am** on **Friday** and **Saturday**.

How will the work affect you?

You may experience some noise and every effort will be made to minimise the impacts by:

- using non-tonal reversing beepers on machinery
- turning off equipment and vehicles when not in use
- using lighting towers only when necessary
- directing noise generating equipment away from resident properties where possible.

Sydney Water will notify impacted residents of a water outage during the work. Please contact Sydney Water if you experience water outages outside the hours specified in their notification.

Plant and equipment

The project team will use heavy and light vehicles, lighting towers, and power and hand tools.

Traffic changes

Temporary traffic changes will be in place at night to ensure the work zone is safe for workers and road users. Detours will be in place during the road closures. Access to Maxwell Street from The Northern Road will be from Jamison Road and Tukara Road. Access to Aspen Street from The Northern Road will be available during this closure. The Northern Road will not be closed during this period.

Electronic message signs will also be in place to direct road users through these changes.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.
