BUILDING OUR FUTURE

October 2021

Local road closures on Bringelly Road and Castle Road

The Australian and NSW Governments are delivering the \$1.6 billion The Northern Road upgrade between Narellan and South Penrith.

Transport for New South Wales is continuing work along The Northern Road between Glenmore Park and South Penrith. As part of this work, there will be traffic changes at the intersection of Bringelly Road and The Northern Road, and on Castle Road.

What we are doing?

We will be temporarily closing the following sections of local roads to undertake maintenance work (weather permitting):

- **Bringelly Road** will be closed to westbound traffic at the intersection of The Northern Road.
- **Castle Road** at The Northern Road intersection will be closed.

For the safety of road users and workers, these closures will take place **between 8pm Wednesday 20 October and 5am Thursday 21 October** with 8pm Thursday 21 October to 5am Friday 22 October as a contingency date.

Traffic changes

Please see the map overleaf to view the road closures and the detours in place. The Northern Road will remain open during these works. Traffic control and electronic signage will be in place to assist road users in the area.

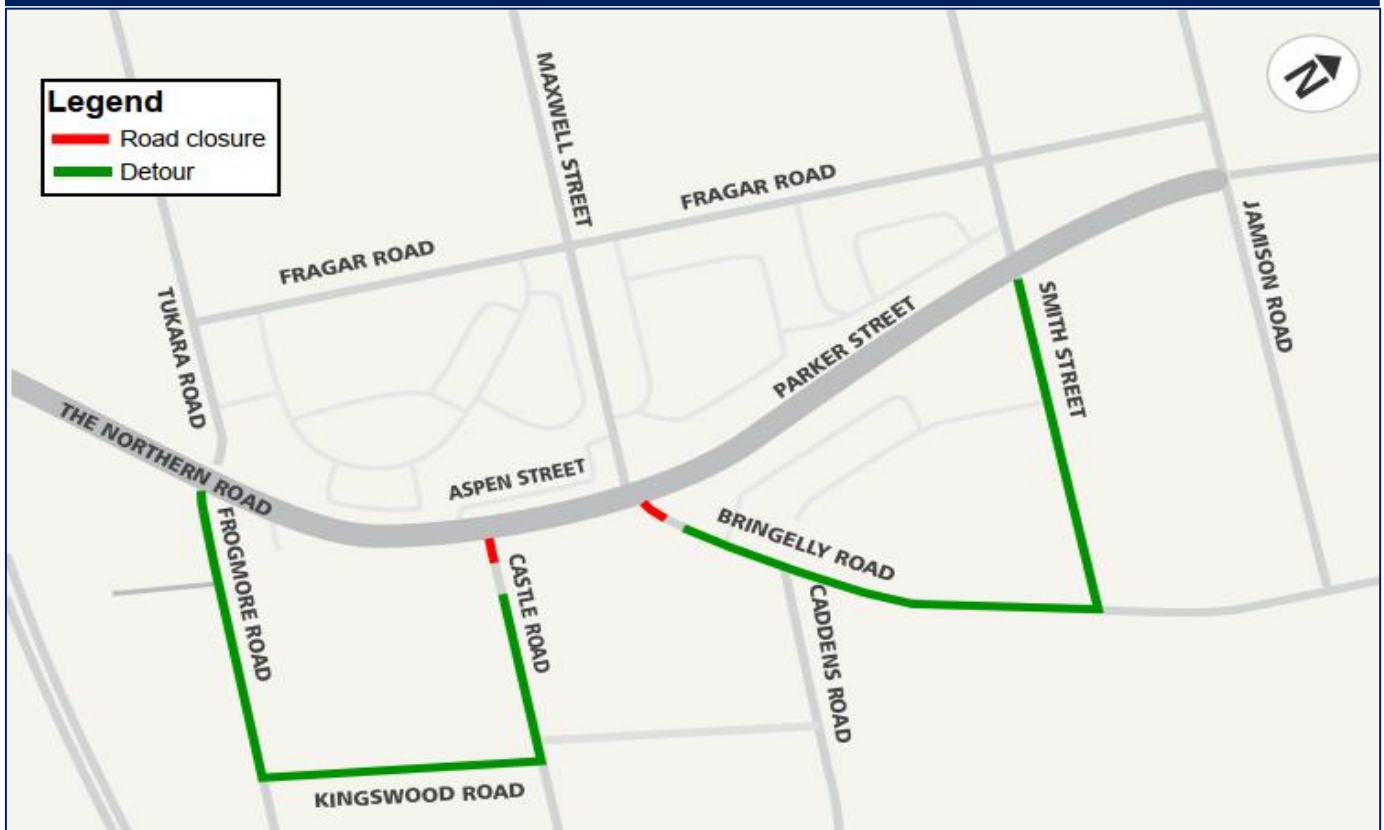

Access to Bringelly Road is via Smith Street and access to Castle Road is via Frogmore Road.

How this work will affect you?

During this work, every effort will be made to minimise the impacts to the community by:

- Using non-tonal reversing beepers on machinery
- Turning off equipment and vehicles when not in use
- using lighting towers (only when necessary)
- Directing noise generating equipment away from properties where possible

Local road closures on Bringelly Road and Castle Road

What equipment will be used

Construction machinery, light and heavy vehicles, lighting towers, power and hand tools.

COVID Safe

These works are in line with the current Public Health Orders and a COVIDSafe Plan is in place, including the use of QR codes.
