**BUILDING OUR FUTURE**

May 2021

## Night works at Aspen Street on Wednesday 19 May

The Australian and NSW Governments are jointly funding this work as part of the \$1.6 billion upgrade of The Northern Road between Narellan and South Penrith.

Transport for New South Wales is continuing works along The Northern Road between Glenmore Park and South Penrith. As part of these works, there will be traffic changes at the intersection of Aspen Street and The Northern Road.

### What we are doing

As part of works to The Northern Road we will be asphaltting at the Aspen Street intersection. For the safety of road users and workers, there will be no access from The Northern Road to Aspen Street from **8pm Wednesday 19 May to 5am Thursday 20 May**.

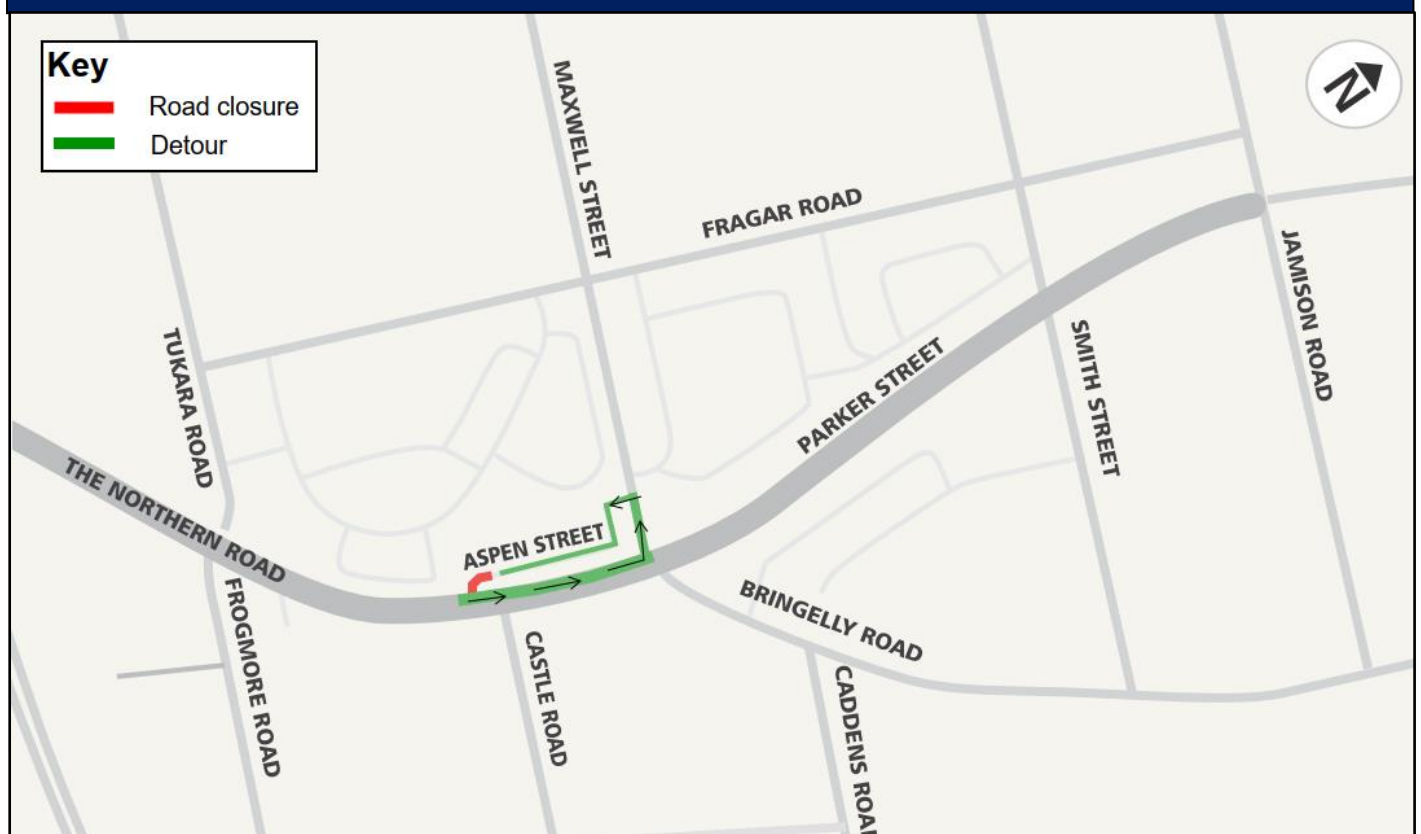

### Traffic Changes

Please see the below map to better explain the location of this work and the detours in place.

To access Aspen Street motorists should enter and exit via Maxwell Street.

Road users will be advised of the changes using electronic message signs in the area.

## How this work will affect you?

During our work, every effort will be made to minimize the impacts to the community by:

- using non-tonal reversing beepers on machinery
- turning off equipment and vehicles when not in use
- using lighting towers (only when necessary)
- directing noise generating equipment away from properties where possible.
