

# Work starting on the M4 Motorway eastbound on ramp landscape mound from Monday 21 June 2021

The Australian and NSW governments are delivering the \$1.6 billion The Northern Road upgrade between Narellan and Penrith.

Transport for NSW invited feedback last year to establish landscape mounds alongside the M4 Motorway corridor. The mounds would consist of excess clean fill material we have taken from our earthwork in other areas of the project.

Reusing the project’s excess fill material in the landscape mounds is a far more environmentally sustainable outcome than disposing of it at a licensed waste facility, whilst also providing a visual barrier between residential properties and the M4 Motorway. There would also be a significant cost saving to reuse the fill in this way, improving value for money for the project.

Following consultation, a decision has been made to proceed with the proposal. We thank everyone who took part in the consultation process.

## Our work schedule

Work is scheduled to begin work from **Monday 21 June** and work is expected to be completed in late 2021. This work will take place between **7am** and **6pm, Monday to Saturday**.

The work will include:

- Tree removal
- Construction and maintenance of temporary access track
- Stockpiling and compaction
- Landscaping
- Truck movements.

## How will the work affect you?

The work will be noisy at times, but we will do everything we can to minimise its impact, including:

- Completing the noisier tasks before 5pm
- Using non-tonal reversing beepers on machinery
- Turning off equipment and vehicles when not in use
- Using lighting towers only when necessary
- Directing noise generating equipment away from resident properties where possible.

## Traffic changes

There may be some temporary traffic changes on Frogmore Road and Kingswood Road during working hours to ensure the work zone is safe.

Please keep to speed limits and follow signs and traffic controllers' directions. For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App.

## Contact

If you have any questions, please contact our delivery partner Acciona on 1800 870 665 (option 2) or [tnr.community@acciona.com](mailto:tnr.community@acciona.com).
