## Local road closures on Aspen Street and Castle Road

The Australian and NSW Governments are delivering the \$1.6 billion The Northern Road upgrade between Narellan and South Penrith.

Transport for New South Wales is continuing work along The Northern Road between Glenmore Park and South Penrith. As part of this work, there will be traffic changes on Aspen Street and Castle Road at The Northern Road.

### What we are doing?

We will be temporarily closing a section of Aspen Street and Castle Road at the intersection of The Northern Road for asphaltting, line marking and installing signage.

For the safety of road users and workers, sections of Aspen Street and Castle Road will be closed from **8pm Friday 9 July to 8am Saturday 10 July 2021**.

### Traffic changes

Please see the map overleaf to better explain the location of this work and the detours in place.

During this work, detours will be as follows:

- To access Aspen Street, use Maxwell Street.
- To access Castle Road, use Bringelly Road, Caddens Road and Kingswood Road, or Frogmore Road and Kingswood Road.

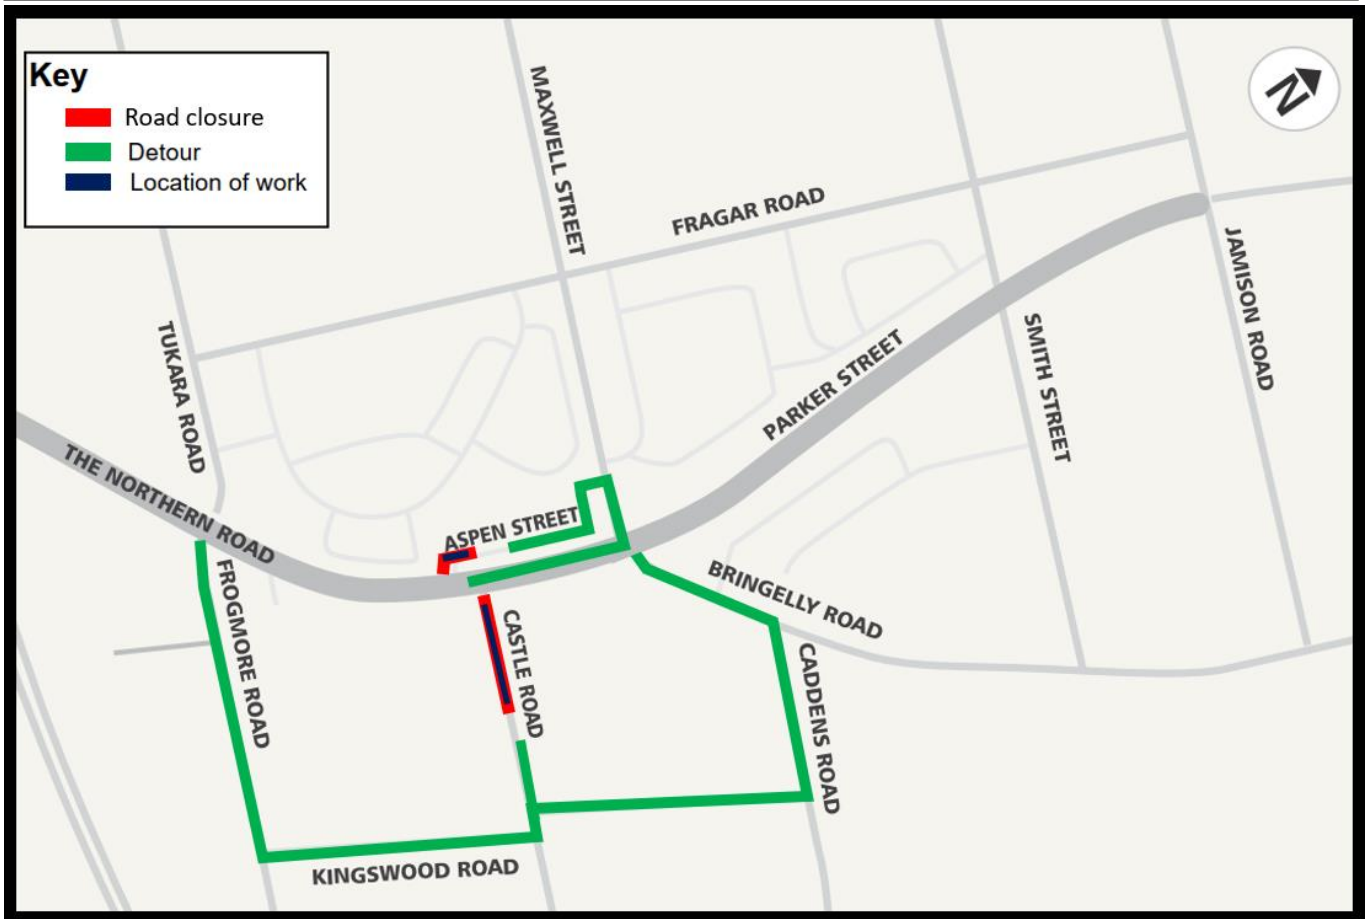

The Northern Road will remain open during this work and traffic control will be in place to assist road users.

### How this work will affect you?

During our work, every effort will be made to minimise impacts to the community by:

- Using non-tonal reversing beepers on machinery
- Turning off equipment and vehicles when not in use
- Using lighting towers
- Directing noise generating equipment away from properties where possible.
