

Road closures on The Northern Road and Glenmore Parkway, Orchard Hills from Saturday 1 February

The Australian and NSW Governments are jointly funding this work as part of the \$1.6 billion upgrade of The Northern Road between Narellan and South Penrith

Transport for NSW is continuing work on The Northern Road upgrade between Glenmore Park and South Penrith. This work includes replacing the existing roundabout at Glenmore Parkway and Wentworth Road with new traffic lights and a service road to Penrith Golf Club.

Upcoming night road closures

As part of this work, we will need to temporarily close access to Glenmore Parkway and Wentworth Road, Orchard Hills. To minimise impact on road users, we will carry out this work at night, weather permitting, during the following nights in February:

Week 1:

- **Saturday 1**

Week 2:

- **Wednesday 5**
- **Friday 7**
- **Saturday 8**

Week 3:

- **Wednesday 12**
- **Friday 14**
- **Saturday 15**

Week 4:

- **Wednesday 19**
- **Friday 21**
- **Saturday 22**

Week 5:

- **Wednesday 26**
- **Friday 28**
- **Saturday 29**

Our work hours will be from **9pm to 5am Wednesday** and **9pm to 9am Friday and Saturday**.

Traffic changes

Temporary traffic changes will be in place at night to ensure the work zone is safe for workers and road users.

Detours will be in place during the road closures to access Glenmore Parkway via Bradley Street and Glengarry Drive, or alternatively, Garswood Road and St Andrews Drive. Road users will be able to access Wentworth Road via Bringelly and Frogmore roads.

The Northern Road will not be closed during this night work.

Traffic control and electronic message signs will be in place to direct road users through these changes.

How will the work affect you?

During our work, you may also experience some noise and extra light. We will make every effort to minimise the impact by:

- using non-tonal reversing beepers on machinery
- turning off equipment and vehicles when not in use
- using lighting towers only when necessary
- directing noise generating equipment away from resident properties where possible.

Plant and equipment

The project team will use heavy and light vehicles, lighting towers, and power and hand tools.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.
