

Australian Government

BUILDING OUR FUTURE

May 2021

Night works at Glenmore Parkway on Friday 4 June

The Australian and NSW Governments are jointly funding this work as part of the \$1.6 billion upgrade of The Northern Road between Narellan and South Penrith.

Transport for New South Wales is continuing works for The Northern Road upgrade between Glenmore Park and South Penrith. As part of these works, there will be traffic changes at The Northern Road and Glenmore Parkway intersection.

What we are doing

We are temporarily closing Glenmore Parkway between The Northern Road and Glengarry Drive at night to install safety barriers, and undertake drainage works.

For the safety of road users and workers, there will be no access from The Northern Road to Glenmore Parkway from:

- **8pm Friday 4 June to 8am Saturday 5 June**
- 8pm Saturday 5 June to 8am Sunday 6 June (contingency).

Traffic Changes

Please see the map overleaf to better explain the location of this work and the detours in place.

To access Glenmore Parkway motorists should use Bradley Street and Glengarry Drive or Garswood Road and St Andrews Drive.

Road users will be advised using electronic message signs in the area.

Traffic changes at The Northern Road and Glenmore Parkway Intersections

How this work will affect you?

During our work, every effort will be made to minimise the impacts to the community by:

- using non-tonal reversing beepers on machinery
- turning off equipment and vehicles when not in use
- using lighting towers only when necessary
- directing noise generating equipment away from properties where possible.

Contact

If you have any questions, please contact our Community Relations Team on 1800 870 665 (option 2) or TNR.community@acciona.com.
