

Night work and traffic changes on the Northern Road, South Penrith

The Australian and NSW Governments are jointly funding this work as part of the \$1.6 billion upgrade of The Northern Road between Narellan and South Penrith

Roads and Maritime Services is continuing work along The Northern Road between Glenmore Park and South Penrith. As part of this work, we need to install utilities across Maxwell Street.

Location, date and time of work

To minimise impact on road users, we will carry out this work at night on **Friday 6 September 2019**, **Saturday 7 September 2019** and **Monday 9 September 2019**, weather permitting. Access to Maxwell Street via the Northern Road will not be available during this work.

Work is scheduled to take place at night:

- from 10pm to 8am on Friday and Monday
- from 10pm to 9am on Saturday

How will the work affect you?

You may also experience some noise and every effort will be made to minimise the impacts by:

- using non-tonal reversing beepers on machinery
- turning off equipment and vehicles when not in use
- using lighting towers only when necessary
- directing noise generating equipment away from resident properties where possible.

Sydney Water will notify impacted residents of a water outage from approximately 10pm to 4am during the night of Monday 9 September. Please contact Sydney Water if you experience water outages outside of the hours specified in their notification.

Plant and equipment

The project team will use heavy and light vehicles, lighting towers, and power and hand tools.

Traffic changes

Temporary traffic changes will be in place at night to ensure the work zone is safe for workers and motorists. Detours will be in place during the road closures to access Maxwell Street from the Northern Road. A lane closure will also be in place along The Northern Road north bound, however The Northern Road will not be closed during this period.

Electronic message signs will also be in place to direct road users through these changes.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit livetraffic.com or download the Live Traffic NSW App.

Contact

If you have any questions or complaints, please contact our delivery partner Lendlease on 1800 870 665 or TNR.community@lendlease.com. Thank you for your patience as we carry out this work.
