

# Night work and traffic changes on the Northern Road, South Penrith

The Australian and NSW Governments are jointly funding this work as part of the \$1.6 billion upgrade of The Northern Road between Narellan and South Penrith

Roads and Maritime Services is continuing work along The Northern Road between Glenmore Park and South Penrith. As part of this work, we need to install utilities including electrical, water, gas and sewage along the Northern Road at Tukara Road and Aspen Street.

## Location, date and time of work

To minimise impact on road users, we will carry out this work at night on **Monday 21 October, Sunday 27 October and Monday 28 October**, weather permitting. Access to Aspen Street from the Northern Road will be closed during our night shift on **Sunday 27 October**.

Work is scheduled to take place at night:

- **from 10pm to 8am on Mondays**
- **from 10pm to 5am on Sunday**

## How will the work affect you?

During our work, you may also experience some noise and every effort will be made to minimise the impacts by:

- using non-tonal reversing beepers on machinery
- turning off equipment and vehicles when not in use
- using lighting towers only when necessary
- directing noise generating equipment away from resident properties where possible.

Sydney Water will notify impacted residents of a water outage during the work. Please contact Sydney Water if you experience water outages outside the hours specified in their notification.

## Plant and equipment

The project team will use heavy and light vehicles, lighting towers, and power and hand tools.

## Traffic changes

Temporary traffic changes will be in place to ensure the work zone is safe for workers and motorists. Detours will be in place to access Aspen Street from the Northern Road via Maxwell Street. The Northern Road will not be closed during this work.

Electronic message signs will also be in place to direct road users through these changes.

Please keep to speed limits and follow the direction of traffic controllers and signs. For the latest traffic updates, you can call 132 701, visit [livetraffic.com](http://livetraffic.com) or download the Live Traffic NSW App.

## Contact

If you have any questions or complaints, please contact our delivery partner Lendlease on 1800 870 665 or [TNR.community@lendlease.com](mailto:TNR.community@lendlease.com). Thank you for your patience as we carry out this work.
